Ragnar's Homemade Detonators - Benson, Ragnar ...

Nearly 25,000 detonators have been recovered from an SUV in Bankura district of West Bengal. Police got information from sources and recovered them from Barjora Saltora road during naka checking. Detonators were kept in a sack. Driver and helper of the SUV managed to run away leaving the vehicle.

Ragnar Benson has written about many types of homemade explosives and fiery brews. But he has received hundreds of letters from frustrated readers who could not get their hands on the one key ingredient necessary for successful detonation -- commercial blasting caps. Now Ragnar "closes the circuit ...

Actually I think it's the only book out there on improvised blasting caps. If your'e just getting into explosives I would not recommend this book, you'd be too tempted to take the shortcut and try to make these things. It would be far more rewarding to get your explosives manufacturing license and buy the caps to detonate your homemade goodies.
