Explore the Recreation and Sport Management Program Website (link above) to learn more about careers. The Recreation and Sport Management Diploma Program

This program is offered as a mandatory Co-operative Education format with four academic semesters and two paid Co-op

placements.

Recreation and Sport Management with Sports Administration Concentration Nine-Semester Plan. The Sports Administration Concentration in Recreation and Sport Management is exempt from eight-semester degree plans because students are recommended to register for RESM 440V Internship after the completion of their course work and the sport management agencies have their busiest season in the summer.

The third edition of A Career with Meaning offers new perspectives on the field and updates on trends and research related to each career area. Of note is the renewed emphasis in our field and thus on understanding the role recreation and leisure play in promoting health and wellness, sustainability, and social justice.
