Interpreting for the Deaf is an art as well as a skill. Signing the scriptures for the liturgy is a particular challenge, requiring both a sense of the poetic and an unders-

tanding of the meaning of a sacred text to a believing community. Signing the Scriptures: A Starting Point for Interpreting the Sunday Readings for the Deaf, Year A offers the interpreter a place to begin to develop his or her own way of interpreting the readings for the Mass. It contains glosses for the readings for the Sundays and most major feast days from the Roman Catholic Lectionary for Mass. Book jacket. The reflections in this book are based predominantly on the gospel readings for the weekdays of the coming liturgical year, 2021/22, with occasional references to the first reading. They follow the sequence of the weeks of the calendar year.

A resource for use wherever weekday cele-

brations of the Eucharist take place. It includes scripture readings from the NRSV and psalms from the Common Worship Psalter, and provides all the readings for the two year cycle of the weekday lectionary in one place.

Word and Sacrament. This is the food that sustains us here on our pilgrimage to heaven. The Word of God and the Sacrament of the altar this is our daily bread. What greater gift could we ask for than to hear the Word of God proclaimed and receive our Lord each day at holy Mass? This is the foundation of our faith; here is the paragon of prayer which strengthens us for our work in this world. In this writing the author has sought to allow the Scripture readings for each Mass (and all Masses of the liturgical calendar are covered: all Sundays and weekdays of Ordinary Time, Advent, Christmas, Lent, and Easter seasons, as

well as Solemnities and Feasts) speak for themselves. This is evident in his extensive quoting and paraphrasing of the Word, but perhaps more significantly in his taking as his guiding principle the Lord's instruction not to consider beforehand what to say when brought to bear witness to Him (see Mk.13:11). After reading the Scriptures for the day three times (before dawn), Mr. Kurt let the Spirit direct him writing without revision, trusting entirely in the Lord. Thus describing spiritual realities in spiritual terms (1Cor.2:13), the message and tone of the writing reflect that of the readings themselves; the work is therefore termed an exposition of the readings of Catholic Mass. This book has received an imprimatur from the Most Reverend John J. Meyers, J.C.D., D.D., Archbishop of Newark, New Jersey. Authors Website: www.writingsofjameskurt.org

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the

Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Gives the Old Testament, Psalm, Epistle and Gospel readings for every day of the coming liturgical year that starts on Advent Sunday. This pocket reference guide includes the main daily Bible readings from the Anglican and Roman Catholic.

We all face stress and tension in our daily lives. We might even wonder why our God of abundant goodness doesn't remove the everyday struggles we face. Jesus' interactions with Martha and Mary in the Gospel provide us the key to understanding how God shows us his love by allowing tensions in our lives. As we follow the sisters' transformative journeys through their own struggles, reflecting on what transpires between Scripture verses, we see their initial tension become the catalyst that drives both Mary and Martha to the feet of Jesus — the place where all discover peace. *Grace in Tension* explores the areas where stress arises in our own lives. Each chapter ends with a thought-provoking prayer to inspire us to go to God with our

problems, followed by questions for reflection to help us see all the ways he's working for our good. God doesn't create any of it, but he does show up amid life's difficulties, ready to lead us through. No matter how big or small our struggle, when we seek him out, he reveals what we need to do to resolve our tension, transforming it into grace. A completely new typeset and designed edition of the popular Ignatius Revised Standard Version Bible, with minor revisions to some of the archaic language used in the first edition. This revised version is a contemporary English translation without dumbing-down the text. This second edition of the RSV doesn't put the biblical text through a filter to make it acceptable to current tastes and prejudices, and it retains the beauty of the RSV language that has made it such a joy to read and reflect on the Word of God. Now the only Catholic Bible in standard English is even more beautiful in world and design!

The first major translation of the Christian Scriptures from the original languages to be undertaken since the King James Version (1611), the Revised Standard Version Bible debuted in 1952 to widespread acclaim. It was subsequently adopted by a spectrum of denominations the world over for use as a text in both public worship and private devotional settings. The RSV dramatically shaped the course of English Bible translation work in the latter half of

the Twentieth Century. It remains the Bible of choice for many people.

"[A]n outstanding resource for the ongoing discussion on the post-conciliar liturgical reform... Matthew Hazell is to be congratulated for creating a comparative tool to facilitate such a debate" -- Fr Uwe Michael Lang, C.O., in Antiphon: A Journal for Liturgical Renewal The Index Lectionum is a tool that makes the comparison of the lectionaries of the Ordinary and Extraordinary Forms easier than it has been up until now. All the readings at Mass in both forms of the Roman Rite have been arranged side-by-side in biblical order, with their use in each form documented. This book thus makes it possible to look up a biblical reference and quickly find out if it is used on the same day or celebration in the OF and EF, or where a reading in the EF has been transferred to in the OF, and so on. For all those who love the Church's liturgy, the Index Lectionum is a vital comparative tool for further study of and research into the lectionaries of the Ordinary and Extraordinary Forms: their relationship

to one another, their similarities and differences, and their respective pastoral advantages and disadvantages.

"This is a translation of *Hablar con Dios* ... first published ... by Ediciones Palabra, Madrid, and ... by Scepter."

Finding God Every Day God is present to us in ways too numerous to count. Unfortunately, we are often so busy that we fail to recognize and respond to this active presence. A Catholic Woman's Book of Days offers daily meditations that clear a spiritual place—a time in our day when we can set our hearts on God. The meditations are brief, pointed, direct, and personal—and will connect you to God's word and the Catholic faith. While a number of successful devotionals for women have been published for the general Christian market, A Catholic Woman's Book of Days is the first resource in the Catholic market featuring daily devotions and prayers for women. Written by Amy Welborn, the devotional entries are pointed and brief, and help Catholic women connect their everyday concerns with God's Word in the context of

their Catholic faith. Each entry is introduced by a Scripture verse and followed by a one-sentence prayer. These devotions and prayers are sure to provide Catholic women with a dose of God's grace each day of the year.

Biblical proclamation is central to Christian worship. The Bible witnesses to the foundational experiences of the Church. Its proclamation invites worshippers into encounter with Christ, the living Word. "The Bible in Worship" seeks to make visible how the Bible is encountered in the worship of mainstream Western churches. Focusing in turn on the Roman Catholic, Reformed and Anglican traditions, Victoria Raymer offers a detailed and lively consideration of the contemporary practices of proclamation in each, considers their respective patterns of reading the Bible as part of public worship, and reflects on the place the Bible takes in daily prayer. Raymer also draws our attention towards the role the psalms play in contemporary formal liturgy, and

offers a chapter on how the Bible is weaved into less formal forms of worship, including contemporary sung worship. Offering a truly holistic study of the scripture in worship, the book will resource readers to reflect on how proclamation invites response in understanding and resolve, and to consider how it might do so more effectively.
