Middle East; Russia and ... It is hard to imagine a period since the end of the Cold War when relations between Russia and the United States ... Why were Russia and the West unable to forge a ...

In sociology, the East-West dichotomy is the perceived difference between the Eastern and Western worlds. Cultural rather than geographical in division, the boundaries of East and West are not fixed, but vary according to the criteria adopted by individuals using the term. Historically, Asia (excluding Siberia) was regarded as the East, and Europe was regarded as the West.

Key facts on Russian history between 1670 and 1917. During the reign of Peter the Great from 1672 to 1725, Russia became the largest state in the world – three times the size of Europe. Peter was the first Tsar to visit the West, and through his travels, he brought lots of ideas back to Russia.
