### Editorial Guidelines | SAS

#### SAS Help Center: THREADS System Option

SAS No. 94: New Standards on Technology and Internal Control  
 By Gary A. Porter CPA. Technology offers associations many conveniences, but it can also diminish an auditor's ability to obtain the desired assurance of balances from substantive year-end tests, primarily because no paper trail exists.

This example imports the following space-delimited file and creates a temporary SAS data set named Work.States. Region State Capital Bird South Georgia Atlanta 'Brown Thrasher' South 'North Carolina' Raleigh Cardinal North Connecticut Hartford Robin West Washington Olympia 'American Goldfinch' Midwest Illinois Springfield Cardinal

Referring to SAS and its products or services. Always write the name "SAS" in uppercase letters with no periods. Here is the official description of SAS Institute: SAS is the world's largest privately held software company. Note: The phrase "privately held" (as opposed to "public") means the company is privately owned and does not sell stock.

#### SAS Documentation | SAS Support

While the manual's primary goal is to teach SAS, more generally we want to help develop strong data analytic skills in conjunction with the text and the CD-ROM. The manual is divided into three parts. Part I is an introduction that provides the necessary details to start using SAS and in particular discusses how to construct SAS programs.
