Please use wisely. These are available to students/families to aid and assist, and not to replace homework. Also, note the book title. They are in order by book name, and not by unit number.

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and en-

courage mathematical thinking and communication.
