The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must

be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These things are forbidden- they have been forbidden since the beginning of time.

He's been on this killer's trail for a while, and he knows he's getting closer. The only question is if he'll be able to handle getting as close as he's about to be, or if his blood will join the stream that regularly flows into the gutters of the sprawls.

Based on real events from the life of a prominent American lawyer, Daniel Webster, this short story explores themes of patriotism, slavery, and Hell as the fictionalised Webster attempts to save a man's soul from the Devil. First published in 1936, *The Devil and Daniel Webster* was written by Stephen Vincent Benét. An allegorical exploration of what it means to be American, the short story plays on real events. It utilises fictionalised versions of

real people in US history to explore the country's obsession with freedom and independence. Daniel Webster (1782-1852) was a prominent lawyer in the nineteenth century, arguing over 200 cases before the Supreme Court. In this short story, he attempts to save a man's soul and puts his persuasive powers to the test against the harshest judge of all: the Devil.

*The Gift of the Magi* is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. *Bridge to Terabithia* was also named an ALA Notable Children's Book and has become a touchstone of children's literature, as have many of Katherine Paterson's other novels, including *The Great Gilly Hopkins* and *Jacob Have I Loved*.

Winner of the National Book Award for Fiction Introduction by Jhumpa Lahiri Bernard Malamud's first book of short stories, *The Magic Barrel*, has been recognized as a classic from the time it was published in 1959. The stories are set in New York and in Italy (where Malamud's alter ego, the struggling New York Jewish Painter Arthur Fidelman, roams amid the ruins of old Europe in search of his artistic patrimony); they tell of egg candlers and shoemakers, matchmakers, and rabbis, in a voice that blends vigorous urban realism, Yiddish idiom, and a dash of artistic magic. The

*Magic Barrel* is a book about New York and about the immigrant experience, and it is high point in the modern American short story. Few books of any kind have managed to depict struggle and frustration and heartbreak with such delight, or such artistry.

*Lady Chatterley's Lover* is a novel by English author D. H. Lawrence, first published privately in 1928 in Italy and in 1929 in France. An unexpurgated edition was not published openly in the United Kingdom until 1960, when it was the subject of a watershed obscenity trial against the publisher Penguin Books. Penguin won the case and quickly sold three million copies. The book was also banned for obscenity in the United States, Canada, Australia, India, and Japan. The book soon became notorious for its story of the physical (and emotional) relationship between a working-class man and an upper-class woman, its explicit descriptions of sex, and its use of then-unprintable four-letter words.

"The Masque of the Red Death", originally published as "The Mask of the Red Death: A Fantasy", is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a

masquerade ball within seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose "costume" proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been presented, as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in *Graham's Magazine* and has since been adapted in many different forms, including a 1964 film starring Vincent Price.

After enduring many injuries of the noble Fortunato, Montressor executes the perfect revenge.

The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heart-

felt story of one girl's search for home, for her own identity...and for a hopeful future. An American coming-of-age tale during a period when the entire country was losing its innocence to the second world war Set at a boys' boarding school in New England during the early years of World War II, *A Separate Peace* is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.
