Scoring The Wold Sentence Copying

The Wold Sentence Copy Test is a timed test designed to evaluate the child's speed

and accuracy when copying a sentence from the top of a page to the lines on the rest of the page. This is comparable to the child copying from a blackboard to a book; a task required every day in the classroom but without the extremes of eye movements.

The Wold Sentence Copying Test (WSCT), was normed, for children grades 3-6, for both letter and number copying speed, and for the number of head/eye-movements used to complete both the letter and number sentence.

Good scoring template for the Wold Sentence Copying Test (best for grades 1-5 but could be used up to grade 8). More information Find this Pin and more on OT- Assessments/ Important Forms by AG .
