Scripting the Black Masculine Body traces the origins of Black

body politics in the United States and its contemporary

manifestations in popular cultural productions. From early

blackface cinema through contemporary portrayals of the Black

body in hip-hop music and film, Ronald L. Jackson II examines

how African American identities have been socially constructed,

constituted, and publicly understood, and argues that popular

music artists and film producers often are complicit with Black

body ...

Scripting the Black Masculine Body: Identity, Discourse ...

The first chapter of "Scripting the Black Masculine Body" by

Ronald L. Jackson II was another interesting reading. It was about the social assignment of Black bodies. This created racial projections that are inscribed to race. My favorite part of this chapter as the continual return to a quote from DuBois in 1903.
