Seize The Day are an English acoustic band in the radical folk tradition, but drawing on global musical roots. We write songs to celebrate, inspire and support the liberation of life. Whatever needs to change or be defended in this world, we sing to make you laugh about it, cry about it, dance about it - maybe even inspire you to believe that you can DO something about it!

And she and her brother did just that - seized the day - and enjoyed the final hours of their break before returning to school the next day. For the next two mornings, although the calm and relaxed mornings have subsided, Isannah has continued to wake from her slumber and immediately place her paper tiara on her head before joining us at the table for breakfast.

Seize The Day: Making An Art of Working Away Relationships. To most people the way of life that a rolling roster leads to seem far from ideal. However, it is what many working away relationships have and enjoy. We make moments count, and seize special days that become part of the landscape that enriches us.
