The Eskimos may have over a hundred words for snow, but that doesn't even come close to how many words the English language has for “slut”—and Lindsey has been called them all. “Hussy” is Lindsey's personal favorite, given to her by her own grandmother, who likes to pat her on the hand and whisper, “Don't worry, dear—a hussy is just a woman with the morals of a man.” But Lindsey's not ashamed of her reputation. She knows she's earned it—and she's proud of it. After all, you only live once, right? In fact, she goes out of her way to make it known to every guy she comes in contact with, she's available for the taking—the rougher, the better. That is until Lindsey meets Lieutenant Zachary Davis, a man who refuses to treat her like the trash she believes she really is. But can Lindsey change her impulsive ways and learn to value herself the way the Zach does? Warnings: This title contains graphic language and extreme sexual situations as well as a girl with a slutty attitude bigger than Texas covering a haunted past, and a sweet, hot man in uniform dead set on rescuing her from herself.Note to Readers: This novel was previously released as “Falling Down.” I brought them to the wilderness because we couldn't cope with our reality. The plan was to make a new life that didn't include heartache. No people. No technology. No interference. Just us. A chance to piece together what was broken. But the wilderness is untamed and harsh. Brutal and unforgiving. It doesn't give a damn about your feelings. Tragedy lives there too. No escaping the truths that won't let you go. All you can do is survive where love, no matter how beastly, is the only thing you can truly count on. Confusing. Wrong. Twisted. Beautiful. Sick. Love is wild. And we're going to set it free. WARNING: The Wild is an extremely taboo story. Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you. This book is only for the brave, the open-minded, and the ones who crave love in even the most dismal of situations. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to heavy taboo themes, then this story is not for you. Seriously, you've been warned. Don't say I didn't try. You're probably going to cringe many, many, many times. Even if you're on the fence, it's probably not a good idea to proceed. However, if you're intrigued and fearless and kind of sort of trust me, then carry on. This book is for you.

“Lead us not into temptation...” ~Matthew 6:13What happens when you fall in love with your best friend's father?Leah is a good, Catholic girl, and she and Erica have been best friends since their first communion. Sure, Erica's father is handsome and charming, but Leah spends so much time at the Nolan's—just Erica and her famous, photographer father now, since Erica's mother died—that she's practically part of the family.Both girls have led privileged, sheltered lives and are on the “good girl” track at St. Mary Magdalene's Preparatory College, Leah pursuing her love of dance and Erica sating her endless curiosity as editor of the newspaper. Neither of them could have ever imagined that one fateful discovery will not only push the boundaries of their strict, repressive upbringing, but the bonds of their friendship as well. Leah certainly never could have imagined finding herself torn between her best friend and her best friend's father. Sure, Leah's mother had always talked about Mr. Nolan as “a catch,” but Leah herself had never thought of him as anything other than just Erica's dad—until the girls discover something darkly erotic under Mr. Nolan's bed, a deep, shameful secret that will not only lead them into temptation, but will deliver them into a far greater revelation than any of them could ever have imagined. If you read the original Under Mr. Nolan's Bed, you will find this retelling a richer experience with deeper secrets to reveal—and don't miss Under Mr. Nolan's Bed: CONFESSION, the second installment in the three-part series!

His eyes were silver in the moonlight, his breath full of sake."No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though.""You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer."Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?"I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap.My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together."Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..."He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

David's is supposed to be looking for a job, but Dawn has the week off and is determined to work on her tan. But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: "David?" I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. "Dawn?" I felt her find the bed with a thud. "Ow." She whimpered. "Christ!" I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. "What are you doing?" "Ta," she said, thanking me. I could smell the alcohol on her now. "It's a long way when you're legless." "Shhhh!" I looked toward my door. I was listening for my Mum or Dad but didn't hear them. "C'mon, let's get you to bed." "That's where I am." She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. "Hey, you sleep naked! When did you start that?" "Since I was fourteen," I whispered. "Keep your voice down, Dawn." "I am." She kissed my shoulder. "You feel good." "Okay." I tried to untangle her limbs from mine. "You are pretty well lashed, and I think this is a bad idea. C'mon, let's go." "Noooo!" She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. "Don't make me go." "I think you'd better." I tried to sit, but she was clinging to me too tightly. "I'll scream," she whispered into my ear, her breath hot against my neck. "You will not." I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. "Button it!" I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. "Unbutton it," she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us. What Readers are Saying about Tender Mercies: "I discovered Kitty Thomas last year with her novel `Comfort Food'. I likened that erotica novel (about extreme Stockholm syndrome) to literary wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into `Tender Mercies' excitedly knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and

pulls you (kicking and screaming) into an abrasive and compelling world of fetishism and erotica . . ." -Dee18 "I've first read "Comfort food" by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best. Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader "safe". The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations." -Lenanena "I recommend it to adults, particularly those interested in aspects of BDSM." -Carocar "Tender Mercies is the type of psychological dark erotica, BDSM book that will leave readers who enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas' writing and concepts. I said it after her last book and I'll say it again -- I don't know how she'll top this! :)" -Among the Muses "I can't believe I have put off reading a Kitty Thomas book for so long! I thought "oh I've read dark erotica this won't be too shocking for me" but I was definitely surprised just how dark this book was. Some scenes definitely caused my stomach to churn and the writing reaches a deeper psychological level than other dark books I've read." -R Nicole "Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica." -Mel "So my favorite BDSM theme is where the submissive is abused / mistreated by a former Dom / Master and is healing and learning to trust a new Dom. This one fits the theme perfectly. From the first few pages I was hooked and flew right through the rest of it! I love everything I've read by Thomas and this is no exception." -Mrs thj "The story is beautiful, and I love the characters. While the book is essentially dark erotica and non-consensual bdsm, Kitty Thomas still manages to create a beautiful romance between master and slave." -lunaselene "Wow! This book was well written, intelligent dialogue, graphic without being raunchy. I enjoyed the story and it was my second BDSM book. Kitty Thomas has "mad" skills as a writer and I look forward to reading her other books." - Maxine Holmes "As I mentioned earlier, I am in awe of Kitty Thomas' storytelling abilities. I was deeply caught up in the psychological conditioning in her novel Comfort Food and was titillated by the kinky sexual training in Guilty Pleasures. But the plot twists and multi-layered characters in Tender Mercies have made this book another one of my favorites." -AsianCocoa "I first became aware of Kitty Thomas's work with Comfort Food, a book I can honestly say I will never forget. While Kitty writes about subject matter that not everyone is comfortable with, she does so in a way that I find to be deft and almost lyrical. Though her current published stories are contemporary, she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships." - Cari Quinn "I didn't think anything could top Kitty Thomas's Comfort Food, but boy was I wrong. The minute I had Tender Mercies downloaded to my Kindle, I itched to read it. Had it not been for the fact I was deep in addiction with my last read, I could have easily ditched it like I have so many others in favour of what is fast becoming an obsession with Thomas's writing style and her darkly psychological / emotional take on the world of BDSM." -J. Valentino "I'm always skeptical about erotic novels. I don't want to read it and be disappointed at how quickly the author can push through the build-up of characters, backstory, plot, and emotions just to get to the (seemingly) "good stuff". With that said, I want to read more of Ms. Thomas's work because it did everything but that. I was hooked within the first few sentences, and continued to read it straight through in one sitting (after a break or two for snacks, that is)." - Renee "this book was great in that it didn't hide the fact that BDSM relationships sometimes are dangerous and abusive. I liked the realism" -doo3477 "Kitty Thomas is the queen of darker reads and I love her for it. Tender Mercies didnt disapoint at all. If you like the darker reads you will enjoy Kitty Thomas and her books." -Lisa C "One very good reason not to trust strange men you meet on the Internet. A dark story about the darker side of BDSM." - Joy Pelloquin "Kitty Thomas writes darkly erotic novels that are not easily forgotten; Tender Mercies is no exception. Her psychologically disturbing yet erotic stories take the reader on a journey of submission and trust as a way to fulfillment. Comfort Food, Guilty Pleasures, and Tender Mercies all explore the slave/master dynamic, but she manages to make the story different and intriguing each time. Her stories are well-crafted and even though the scenarios are fantastical in a kinky, masochistic sense, I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences. I am slightly disturbed by how much I enjoy her books; as if something this dark should not be enjoyed, but I do. Very much." -Loves FAB Romance "...about building trust and showcase that dominance and submission is a game between lovers and not about abuse." - Booklover101 What Authors are Saying about Tender Mercies: "Kitty Thomas's hottest book yet . . . emotionally gripping and painfully real . . . impossible to read and remain untouched." - Annabel Joseph, author of Owing Wednesday "Tender Mercies is a heart-rending tale that proves Prince Charming doesn't always come charging in with a white steed . . . Sometimes it's just a piece of paper and a platinum collar." - Claudia D. Christian, author of Devil's Descent II: Impure "I have never been more invested in a piece of fiction in my life. Kitty Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." - Emma Petersen, author of Reign of Pleasure "An eerie and disturbing story tempered with compassion and love. I couldn't put it down." - Fallon Blake, author of Wrapped Around Your Finger "Intense and dark. Tender and sweet." -Nattie Jones, author of The Street Urchin More dark literary erotica by Kitty Thomas: Dark Erotic Novels: Comfort Food Guilty Pleasures The Last Girl Submissive Fairy Tales (latest release---anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Erotic Novellas: The Auction Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica. I've never been afraid of the dark...but that doesn't mean I wanted to live in it. And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It was carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.

The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o' nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know where to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o' nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daugh-

ter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
