1.1 About the manual This manual is intended for all users who want to find out how to use Nero StartSmart. It is task-based and explains how to achieve a particular objective on a step-by-step basis. In order to make best use of this manual, please note the following conventions: Symbol Meaning

User roles. Each user has a user role, which defines their system-level access to different features and functionality in the platform, such as configuring the company's feature settings, posting jobs, or purchasing ads or services in the Marketplace. User roles are assigned when someone creates a new user, but can be changed later.
