### Anti-social Behaviour, Crime and Policing Act - GOV.UK

What is SOC 2. Developed by the American Institute of CPAs, SOC 2 defines criteria for managing customer data based on five "trust service principles"—security, availability, processing integrity, confidentiality and privacy. Unlike PCI DSS, which has very rigid requirements, SOC 2 reports are unique to each organization. In line with specific business practices, each designs its own controls to comply with one or more of the trust principles.

The Home Office published statutory guidance in July 2014 to support the effective use of the new powers to tackle anti-social behaviour that were introduced through the Anti-social Behaviour,...
