"Calhoun, who grew up on St. Mark's Place, is careful not to romanticize any one era of the East Village (which serves as a suitable proxy for much of New York City during the past century). St. Marks Is Dead is an ecstatic roll call."

St Mark's Square was submerged by more than one metre of water, while the adjacent basilica was flooded for only the sixth time in 1,200 years - but the fourth in the last two decades.

St. Marks Is Dead: The Many Lives of America's Hippest Street is a non-fiction book by Ada Calhoun about the history of St. Mark's Place, a three-block stretch of East Village, Manhattan. Calhoun, who grew up on the street, shows how disillusioned bohemians of every era have declared "St. Marks Is Dead" when their era on the street passed.

Procession of the Dead. Though the particulars of the ritual varied from town to town, legend has it that the day before the feast of St. Mark gives people a chance to see the ghosts of those who are destined to die in the coming year. In most descriptions, a person need only be outside their church from 11 p.m. to 1 a.m.
