Press out the cardboard pieces to create the multipurpose gunship, and read the accompanying book filled with facts about ships from Episode VIII. Includes: Step-by-step instructions Easy-to-assemble pieces A guidebook to the characters and starships in Star Wars: The Last Jedi

For the first time in one stunning volume, here is the complete, epic story arc: The Phantom Menace, Attack of the Clones, and Revenge of the Sith. Experience the sweeping tale of good and evil, of myth and magic, of innocence and power—and witness the tragic transformation of Anakin Skywalker from mere slave to one of the greatest, most powerful, and feared villains of the galaxy: Darth Vader. “The path has been placed before you, Anakin. The choice to take it must be yours alone.” On the barren desert world of Tatooine, young Anakin Skywalker toils by day and dreams by night . . . of traveling the stars to worlds he’s only heard of in stories. When Jedi Knight Qui-Gon Jinn and his apprentice, Obi-Wan Kenobi, cross paths with Anakin, it marks the beginning of the drama that will become legend. Courageous to the point of recklessness, Anakin comes of age in a time of great upheaval. The attempted assassination of Senator Padmé Amidala thrusts the Republic close to the edge of disaster—and brings Anakin and Padmé into a secret romance as intense as it is forbidden. As combat escalates across the galaxy, the stage is set for an explosive endgame. Tormented by unpeakable visions, Anakin edges closer to the brink of a decision with profound ramifications. It remains only for Darth Sidious to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. THE PHANTOM MENACE by Terry Brooks, based on the story and screenplay by George Lucas ATTACK OF THE CLONES by R. A. Salvatore, from a story by George Lucas and a screenplay by George Lucas and Jonathan Hales REVENGE OF THE SITH by Matthew Stover, based on the story and screenplay by George Lucas

As seen in Star Wars: The Last Jedi, welcome to the casino city of Canto Bight. A place where exotic aliens, captivating creatures, and other would-be high rollers are willing to risk everything to make their fortunes. Set across one fateful evening, these four interconnected stories explore the deception and danger of the lavish casino city. • An honest salesman meets a career criminal as a dream vacation turns into the worst nightmare imaginable, in a story by Saladin Ahmed. • Dreams and schemes collide when a deal over a priceless bottle of wine becomes a struggle for survival, as told by Mira Grant. • Old habits die hard when a servant is forced into a mad struggle for power among Canto Bight's elite, in a tale by Rae Carson • A deadbeat gambler has one last chance to turn his luck around; all he has to do is survive one wild night, as told by John Jackson Miller. In Canto Bight, one is free to revel in excess, untouched from the problems of a galaxy once again descending into chaos and war. Dreams can become reality, but the stakes have never been higher—for there is a darkness obscured by all the glamour and luxury.

NEW YORK TIMES BESTSELLER • Written with input from director Rian Johnson, this official adaptation of Star Wars: The Last Jedi expands on the film to include scenes from alternate versions of the script and other additional content. From the ashes of the Empire has arisen another threat to the galaxy's freedom: the ruthless First Order. Fortunately, new heroes have emerged to take up arms—and perhaps lay down their lives—for the cause. Rey, the orphan strong in the Force; Finn, the ex-stormtrooper who stands against his former masters; and Poe Dameron, the fearless X-wing pilot, have been drawn together to fight side-by-side with General Leia Organa and the Resistance. But the First Order's Supreme Leader Snoke and his merciless enforcer Kylo Ren are adversaries with superior numbers and devastating firepower at their command. Against this enemy, the champions of light may finally be facing their extinction. Their only hope rests with a lost legend: Jedi Master Luke Skywalker. Where the action of Star Wars: The Force Awakens ended, Star Wars: The Last Jedi begins, as the battle between light and dark climbs to astonishing new heights. Featuring thrilling photos from the hit movie

Condé Nast presents The Last Jedi, Inside the New Star Wars: Episode VIII, the ultimate collectors guide to the Star Wars universe. Compiling never-before-collected archival stories from such brands as Vanity Fair, Wired, and The New Yorker, this special edition offers not only a huge preview of the new film, but also a deep dive into the previous movies and a comprehensive look at how George Lucas's sci-fi franchise changed the culture (including stories on true believers of the Jedi religion and 40 things that happened because of Star Wars). Jam-packed with thrilling photography (from the likes of Annie Leibovitz), it's an issue fans won't want to be without.

Star Wars Episode VIII The Last Jedi 2018 Calendar, Star Wars Episode VIII The Last Jedi 2018 Wall Calendar. Rey took her first steps into a larger world in Star Wars: The Force Awakens and continues her epic journey with Luke Skywalker in the next chapter of the continuing saga, Star Wars: Episode VIII. The 2018 Calendar, which includes the last four months of 2017, provides plenty of room for you to write in your appointments, engagements and midnight movie releases. And its printed on paper certified by the Forest Stewardship Council.

Star Wars Episode VII: The Force Awakens left us with a lot of unanswered questions: The galaxy was again at war, but weren't sure why. The Empire was reborn as the First Order under Supreme Leader Snoke, but we didn't know where he came from or how he wound up taking control. We didn't learn what caused Kylo Ren to betray his family. The reasons Luke Skywalker disappeared were unknown. Rey discovered her immense power in the Force, but we didn't know where she got it from, who her parents were, or why they abandoned her on Jakku and never returned.Fans went to see Episode VIII with an understandable expectation to learn the answers to these mysteries, but to say that many of them went home sorely disappointed would be an understatement. In this book, we'll explore the stark contrast between the mysteries that were set up in Episode VII and the resolutions we got in Episode VIII, how it may be the product of two conflicting visions of different directors (JJ Abrams and Rian Johnson), what it all means for the future of the Star Wars saga, whether there's any way back, and what new mysteries the Last Jedi left us with that could be answered in Episode IX (if they feel like it).

The official novelization of the highly anticipated movie Star Wars: The Last Jedi. Print run 100,000.

Do you want to predict what happens in the next Star Wars movies? This book tells you how. What you will learn in this book The hidden pattern behind every single one of the Star Wars movies. How that pattern was also followed in Episode VII-The Force Awakens and will be respected again in Episode VIII-The Last Jedi. How to identify this hidden pattern in other great writings, from Harry Potter to the Bible. Why Star Wars movies feel so familiar every time, yet different. A crash course on scriptwriting and storytelling. And much, much more. What's Inside An explanation of the blueprint followed by all the Star Wars movies: the Ring Structure. Tons of examples of the Ring Structure in Star Wars: protagonists, antagonists, mentors, theme, politics, and even colors.. A detailed explanation of why The Force Awakens feels so similar to A New Hope, and how that can help us predict the plots of the next Star Wars movies. A forecast of what will happen to Rey, Luke, and Kylo Ren in The Last Jedi and Star Wars Episode IX. A crash course on scriptwriting and storytelling, ideal as a reference for anybody interested in writing-based arts. A reference guide of all the building blocks of great scriptwriting, from the most basic Act Structure, to the Hero's Journey, Midpoints, Chiastic Structures, and Storytelling Fractals. A research summary of all the Star Wars movies as a reference for readers that are not intimately familiar with the movies. Who Should Read the Book Star Wars enthusiasts who want to understand Star Wars at a deeper level. Star Wars fans who want to be able to predict what happens in the next installments of the saga: Star Wars Episode VIII - The Last Jedi, and Episode IX. Storytelling and scriptwriting buffs looking for a reference guide to research how to write epic scripts following the Ring Structure. Followers of the Ring Theory who want to dissect the most ambitious work of visual art to ever follow

the Ring Structure. What Everyone's Saying about The Star Wars Rings "Let me start by telling you how excellent this book is. I had read previous iterations of the various Ring Theories, but Tomas wrote this book in such a way that makes it easy to understand and proves his points very well. He is filled with so much knowledge on story structure that I couldn't get enough" Jedi Temple Archives."The Star Wars Rings will change how you view literature and film." LilBookLovers"If you are a Star Wars lover and a fiction writer, you should get this! Besides Star Wars, Tomas Pueyo Brochard introduced some other stories to show how this tried and true method of Rings can help your writing and plotting. At the end, there are many predictions about Star Wars. Wouldn't it be cool if the predictions were correct?!" Read Try Write"I couldn't drop the book. I was initially hesitant because I like Star Wars but I'm not a die-hard fan. But you don't need to be. This book is not just about Star Wars. It's about all stories and what makes them great. The author then applies those insights to Star Wars, making it at the same time easy to follow for a non-Star Wars fan, and deep enough to make the story patterns obvious from the movies." Patricia de Llano"I read a lot of material on narrative design and storytelling and I found this book immensely valuable. The kind of structure uncovered is really fascinating." S. Swistun"A fantastic, thought-provoking book" Pierre Djian"A page turner - full of hidden secrets, unravelling story patterns, and predictions about the new Star Wars movies" Amit AharoniDon't wait. Get your copy before The Last Jedi premieres on December 15th!

Clear, comprehensive text makes this an indispensable reference guide for the new craft in the Star Wars galaxy. & TM 2017 LUCASFILM LTD.

Seminar paper from the year 2018 in the subject Communications - Movies and Television, grade: 2, University of Linz (Department of English), course: Drama and Film, language: English, abstract: The American science fiction franchise Star Wars was created by George Lucas and presented to the world in 1977 with the release of Star Wars: Episode IV - A New Hope. Un-expectedly, the movie became the highest-grossing film of all time until 1982. Five out of the seven consecutive Star Wars movies, excluding all other standalone Star Wars films, are found on the top 100 list of highest-grossing films of all time in Canada and the USA. Despite the popularity of the franchise, it is increasingly criticized for its portrayal of women in a stereotypical fashion; critics claim that the story evolves predominantly around male heroes while objectifying women and giving them only a passive role in the plot. To evaluate these claims, this paper will introduce and compare the most important female characters and their roles throughout the saga. The Star Wars movies are divided into three separate trilogies, each of them having a main female character. The paper will examine if the portrayal of each of those women in their respective trilogy depends on sexist stereotypes or if they are represented negatively in terms of power, sexualization, and characterization. The three female heroines will be discussed in the chronological order of the canonical Star Wars timeline, starting with Star Wars I: The Phantom Menace, and ending with Star Wars VIII: The Last Jedi. Due to the limitations of this paper, the representation of the numerous other female characters throughout the movies will not be analyzed.

Illustrations peel back high-tech layers to reveal the cockpits, engines, hyperdrives, and construction secrets of twelve vehicles from the Star Wars feature film, "Star Wars, Episode VIII, The Last Jedi."

The 40th Anniversary Collector's Edition A long time ago, in a galaxy far, far away . . . Luke Skywalker was a twenty-year-old who lived and worked on his uncle's farm on the remote planet of Tatooine...and he was bored beyond belief. He yearned for adventures that would take him beyond the farthest galaxies. But he got much more than he bargained for....

Little Golden Book retellings of all nine films in the Star Wars Skywalker saga in one collectible hardcover! All nine films in the epic Star Wars Skywalker space saga--The Phantom Menace, Attack of the Clones, Revenge of the Sith, A New Hope, The Empire Strikes Back, Return of the Jedi, The Force Awakens, The Last Jedi, and The Rise of Skywalker--are retold in this Little Golden Book hardcover treasury! Featuring stunning retro illustrations, this

collection of nine Little Golden Books is perfect for Star Wars fans and Little Golden Book collectors of all ages! Star Wars has captivated millions worldwide for over forty years. The phenomenon began with the 1977 theatrical debut of Star Wars, later retitled A New Hope, and has expanded to include ten additional major motion pictures (The Empire Strikes Back, Return of the Jedi, The Phantom Menace, Attack of the Clones, Revenge of the Sith, The Force Awakens, The Last Jedi, Solo: A Star Wars Story, and The Rise of Skywalker), television programming, publishing, video games, and much more.

Faithfully bringing events from the film to the comics page, The Last Jedi follows Rey and Finn as they stare down new challenges while their roles in the Resistance reach new heights. As new dangers approach and old threats emerge, the next generation of Star Wars heroes arrives! Capturing the galaxy-spanning action of The Last Jedi, experience Episode VIII as a beautiful graphic novel combining the epic wonder of Star Wars with the streamlined designs of Disney animation. This all-ages graphic novel is a must-read for longtime fans and a great introduction for young newcomers!

NEW YORK TIMES BESTSELLER • From the author of Star Wars: Lost Stars comes a thrilling novel set in the years before the events of Star Wars: The Force Awakens. “Unmissable . . . Bloodline’s tense politics, vivid new characters, and perfectly characterized Leia make it feel as central to the Star Wars universe as one of the films.”—Tordotcom WITNESS THE BIRTH OF THE RESISTANCE When the Rebellion defeated the Empire in the skies above Endor, Leia Organa believed it was the beginning to a lasting peace. But after decades of vicious infighting and partisan gridlock in the New Republic Senate, that hope seems like a distant memory. Now a respected senator, Leia must grapple with the dangers that threaten to cripple the fledgling democracy—from both within and without. Underworld kingpins, treacherous politicians, and Imperial loyalists are sowing chaos in the galaxy. Desperate to take action, senators are calling for the election of a First Senator. It is their hope that this influential post will bring strong leadership to a divided galaxy. As the daughter of Darth Vader, Leia faces with distrust the prospect of any one person holding such a powerful position—even when supporters suggest Leia herself for the job. But a new enemy may make this path Leia’s only option. For at the edges of the galaxy, a mysterious threat is growing. . . . Praise for Bloodline “[Claudia] Gray paints a much more complete galaxy than we often get to see on the big screen. . . . Knowing that Rian Johnson (writer, director of Star Wars: Episode VIII) had some creative input on the novel provides hope that we haven’t seen the last of all of these wonderful characters. . . . Star Wars: Bloodline isn’t just a great Star Wars book, or a great Leia book, or a great book; it’s a great introduction into the larger world of Star Wars in general.”—ComicBookdotcom “Bloodline is a nonstop page-turner that grabs at heartstrings that you weren’t aware of and yanks down on every one of them. The story is loaded with context for The Force Awakens that plants the seeds for The First Order in perfectly haunting ways, and leaves the reader grasping for more details on newly discovered favorite characters.”—Inverse

The latest chapter in the Star Wars is here! The Last Jedi is the epic of new famous movie just released on Dec'17. Star Wars fan will love this book after going to watch the movie then summary all what you get from the last episode. Let's write it down and sharing your discussion to all of the World Stars War fan.

Follows Anakin Skywalker as he struggles with his duty as a Jedi Knight and his role as the secret husband of Senator Padme Amidala, and chronicles the creation of Darth Vader and the birth of Luke Skywalker and Princess Leia Organa.

This essay sheds light on how the how Disney ruined Star Wars and elucidates how the Star Wars series became a global phenomenon, Moreover, strategies for how Disney can salvage the dying Star Wars franchise are identified and how an average gamer can earn a living playing Star Wars video games is delineated in this essay. Much to the dismay of avid Star Wars fans, the once beloved Star Wars franchise has been egregiously by ruined Disney. The consensus that Star Wars Episode 7: The Force Awakens and Star Wars Episode 8: The Last Jedi are eminently appalling and devoid of a modicum of merit has attributed to Star Wars losing its luster and becoming more or less of a dying franchise. The imprudent decision of Disney to take the masterpiece of the Star Wars franchise into a new direction for the worse and become fraught with terrible plot points, vapid narratives, uninteresting characters, and a lack of merit in all facets is something that has been spurned by the Star Wars community and ruined the once legendary Star Wars franchise. After George Lucas decided to sell Lucasfilm and the Star Wars property in 2012, the Star Wars franchise would never again be the same much and would inexplicably be degraded in merit, much to the dismay of devout Star Wars fans. Disney neglected to utilize the scripts for the sequel trilogy for Star Wars Episodes 7-9 that they bought from George Lucas. They also decided to not utilize George Lucas's Star Wars canon material nor produce a Star Wars film based on the Star Wars' lore. The Star Wars franchise would be all the more bastardized and become an abomination of its former glorious, legendary self with the releases of JJ Abrams' Star Wars: Episode VII: The Force Awakens and Rian Johnson's Star Wars Episode 8: The Last Jedi by Disney. These Disney Star Wars movies were eminently atrocious in all facets and each deserve a 0/10 review score for their ratings at best. This is because, Star Wars fans felt that Star Wars Episode 7 was far too reliant on the familiarity and environmental settings of the original trilogy, but without any of the merits of the original trilogy. Additionally, Star Wars Episode 8 was did not fare any better than its predecessor film since Star Wars fans have been in an uproar regarding plot points, vapid narratives, and lack of character development which have tainted the Star Wars sequel trilogy produced by Disney. Disney has become infamous and notorious among the Star Wars community for completely ruining the once legendary Star Wars franchise and bastardizing the direction of its future by steering its trajectory into a future that many would contend is beyond salvation, especially if the multibillion dollar entertainment conglomerate that produces Mickey Mouse cartoons for children continue to stray away from following the Star Wars cannon material when producing Star Wars films. Star Wars Episode 9: The Rise Of Skywalker is destined to also be a 0/10 just like its previous sequel trilogy installments. Star Wars Episode 9 The Rise Of Skywalker will inevitably also be plagued with the issues of terrible plot points, vapid narratives, uninteresting characters, and a lack of merit in all facets just as like its other Star Wars sequel installments. Therefore, Star Wars Episode 9 The Rise Of Skywalker is unequivocally worthy of a 0/10 review score rating based on its resounding lack of merit. Disney, the entertainment conglomerate, only knows how to produce kids films and the adult Star Wars fandom eagerly craves to not watch another Star Wars film geared toward the child demographic cohort. The extended to which Disney ruined the Star Wars franchise is truly disgraceful. While deviating away from the cannon material when producing films does not always ruin a franchise, the crux of the issue in this content is that Disney replaced George Lucas's Star Wars cannon material with something far inferior when they produced Star Wars Episodes 7-9 that forever tarnished the series.

The Resistance has found Luke Skywalker! But the First Order is hot on their tail...and they are out for blood. Can Rey coax Luke out of his self-imposed exile in time to save the fading spark of hope from being extinguished forever? Or will Kylo Ren and the First Order crush the Resistance once and for all?
