Readers of all ages have followed and cherished Anne Lamott's funny and perceptive writing about her own faith through decades of trial and error. And in her new book, *Help, Thanks, Wow*, she has coalesced everything she knows about prayer to these fundamentals. This book contains thirty short stories about the trial and tribulations of my life or of those around me. It consists of short stories, a commentary, twenty scriptures for each short story, and a prayer at the end of each story. Working in environment where life is real and bad things happen, God taught me that his word shines through it all. This book has helped me cope with the pain, and I was able to release a lot of that pain that was behind it. It also helped me forgive those that hurt me. Even though the majority of this book is about real-life events that happened to me, it was also about those around me, so names were changed to

help protect those who wished to remain nameless. Here I tell stories ranging from child molestation to betrayal and other events in between. The scripture after each story is placed there to help you pray against the trials, to help you pray for strength in that situation. Most of us have felt it: that unexplained prompting in our hearts to stop and pray for a friend, a loved one, or even a stranger. Sometimes we dismiss the feeling as a stray thought about friends, fam-

ilies, or situations. Sometimes we are even awakened from a deep sleep with an even deeper need to go to God in prayer. Where do those urges come from? Are they truly from God? And do those prayers have any effect on the one we're praying for? In *Called to Pray*, Linda Evans Shepherd shares dozens of inspiring true stories of people who have felt God's call to pray—and the astonishing results of those impromptu prayers. For those who wonder if prayer has any effect or doubt that God communicates with us personally, this heart-stirring book will amaze, inspire, and equip them to respond to those holy promptings.

Learn to capably lead others in prayer, in any setting, on any occasion. Leading congregations and other groups in prayer is a significant challenge for many pastors and other ministry leaders. What to say, and how to say it? Most public prayers have received very little training and have not had the chance to develop deep skills. Some folks attack the task with little or no preparation, simply winging it, and usually sensing they have not quite hit the mark. Others furiously try to prepare but become frustrated or overwhelmed. No wonder there's such anxiety about this topic. *Will You Pray with Me* is a short course, in book form, for all who lead others in prayer. The authors teach methods and techniques for writing and leading prayers in traditional church services, special services, for hospital visits, in impromptu situations, and in many other less conventional spaces and circumstances. They include multiple examples of different types of prayer, with analysis alongside the prayer texts to help the reader understand what the methods look like in 'real life'. The book begins with a set of basic principles, the essential skills and strategies for leading prayer. Subsequent chapters

cover writing techniques, tips and habits for effective delivery of prayers aloud, and guidance for specific challenges, including prayer during times of social distancing and pandemic. Also included is a rich selection of prayers for readers to use in their own church services or other settings, or for personal devotion. *Will You Pray with Me* is for pastors, chaplains, congregational care ministers, ministry leaders, and students in seminary or other ministry training courses. Whether you've just begun to pray or have been faithfully praying for years, the wisdom in this book will help you pray better. Fr. Lawrence Lovasik here shows you innumerable ways you can avoid common obstacles and deepen your prayer life, no matter how much or how little you may have prayed before.

Now, in *The Divine Hours Pocket Edition*™, Tickle has gathered one full week of fixed-hour prayers, providing an ideal companion for travelers, office-workers, people on retreat or pilgrimage, as well as newcomers to this age-old spiritual practice. Seven of these daily offices are offered for each day of the week, and each office contains the Call to Prayer, the Request for Presence, the Greeting, the Reading, the Gloria, the Psalm, the Small Verse, the Lord's Pray-

er, the Petition, and the Final Thanksgiving. Tickle draws her texts primarily from the Book of Common Prayer and the writings of the Church Fathers, and includes memorable devotional and meditative poems by Cleland McAfee, Charles Wesley, and others. Tickle also provides a chapter of "Traditional, Seasonal, and Occasional Prayers" in order to accommodate special dates like Advent, Christmas, Easter, and Thanksgiving; major life-changes such as marriage, birth, death, and illness; and moments of special petition or thanksgiving. For all those who want to carry a "small chapel" of prayers with them, *The Divine Hours Pocket Edition*™ offers a convenient, easy-to-use, and deeply spiritual guide to a devotional practice that extends all the way back to Christ and the twelve Apostles.

Completely honest about the struggles and difficulties everyone encounters, it will help you discover how natural prayer is, even when you least feel like it. With his characteristic humour and realism, Stephen Cottrell offers a guide 'from an experienced beginner' for those starting out on the Christian journey and for those who feel there is more to discover. A great gift for confirmation or adult baptism. Previously published as *Praying Through Life*. God doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more inti-

mately, says top-selling author D. A. Carson. The apostle Paul found that spiritual closeness in his own fellowship with the Father. By following Paul's example, we can do the same. Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. *How to Pray* is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of *How to Pray* is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation be-

tween you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. How to Pray is designed to be used together with The Prayer Course (a free video curriculum associated with the Al-

pha course), making it useful for personal and group or church-wide reading.
