If I rightly understand the concept of a study guide, it has two purposes. First, a study guide is designed to highlight the issues raised in the book. Second, it is designed to enlarge and to further the discussion of the book. These two goals are virtual opposites. One tries to nail things down; the other tries to open things up. One tries to

The second part of the second volume is the longest section of the book and summarizes the many different roles a woman can play in society. It is in this section that de Beauvoir presents her main ideas: women are limited in every role they can play in society, and are thus forced to adopt certain traits and coping mechanisms that have made them even more inferior in society.
