ing...

In Lesson #4 -- How to Use Candlesticks
for Successful Swing Trading-- I explored
another aspect of technical analysis by

showing you how I use candlesticks in
short-term trading. The 11 Command-
ments of Swing Trading. In today's final les-
son, my goal is to provide you with an in-
depth look at my trading strategy, tactics,
principles and attitudes.

As a result, all technical indicators are lag-
ging in their nature, but that doesn't mean
that they can't return helpful information
when day trading the markets. Without
the help of indicators, traders would have
a hard time assessing the current volatility
of the markets , the strength of a trend ,
or whether market conditions are over-
bought or oversold.
