LDDJHS - LONG DOYLE

The beginning of the 19th century saw the rise of a remarkable Sikh leader in the Punjab province of north-west India. Unifying the feudal rulers under his authority, the conquering Maharaja Ranjit Singh pursued campaigns of expansion for nearly 40 years, creating for the purpose a new regular army on the Western model. His death in 1839 found the frontiers of Sikh and British power in confrontation; in the 1840s the inevitable trial of strength brought British crown and East India Company troops into battle against the most formidable Indian army they ever faced. Its story is told here in fascinating detail, illustrated with rare early paintings and with colourful reconstructions of Punjabi regular soldiers and feudal warriors.

Applicable models: KM20 series.

THOSE MARVELOUS LITTLE TOYOTA MOTORHOMES is all about Toyota motorhomes in general and a 1977 Toyota Pont-X motorhome named Little House in particular. Between the mid-1970 and 1994, over thirty motorhome manufactures mounted motorhomes on Toyota cabs and chassis with many different models

available from about 161/2- to 23-foot in length. Many of these Toyota motorhomes are still on the road today, and used ones are still available. This book is a complete how-to guide for joining in on the Toyota motorhome fun. It gives a brief history of these marvelous little motorhomes and describes what's available and how to find and buy your own Toyota motorhome. The author Jack Wiley has owned a 1977 Toyota Pont-X motorhome that he and his wife named Little House for 16 years. He sums up this experience as follows: "Little House has given me a lot of Free Being traveling for relatively little money. This is traveling that I would not otherwise have been able to afford. During this traveling, I have been able to see things and do things that I would not otherwise have experienced. A Toyota motorhome made all this possible."

This comprehensive manual covers the complete Holden Commodore range including the Utility, Station Wagon and Statesman models. The first chapter, (Engine tune-up and maintenance) guides you through the most basic maintenance and tune-up procedures. Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer. With comprehensive coverage of all topics, this book follows ASE guidelines to review a sample ASE test and prepare learners for certification. KEY TOPICS: Over 100 multiple-choice items duplicate the type of questions found on the ASE exam, and provide explanations of what makes each right answer correct and the wrong answers incorrect. The guide's practical, concentrated coverage focuses learning on topics that will be covered on the certification exam, and have been determined to be important by the ASE. An ASE task list enables readers to make the distinction between the need-to-know and nice-to-know information. MARKET: For individuals and distance learners preparing for ASE certification.

The first Land Cruiser appeared at about the same time as the Land-Rover. Styling changes occurred in 1952 with the modern range designated F25s and F28s. The FJ43 appeared in the mid-1960s, the 40 and 45 Series in Australia in 1967/8. The FJ55 was introduced in 1969, the 43 series continued to be made in Japan and the 40 and 45 Series had improvements made throughout the 1970s. Production of the FJ55 ceased in 1980 to be followed by the Series 60. This was only available with an in-line, six-cylinder engine of 3980cc. A generous five-seater, and good load carrier, there were few changes made to it after production commenced. This is a book of contemporary road & comparison tests, new model introductions, technical & specification data,

driving impressions, of road tests, long-term reports, buying second hand. Models covered include:- FWD Pick-up, Station Wagon, LX, De Luxe, Diesel.

- Van vacations and van living has attracted a new following at a time of increased outdoor-oriented travel - An attractively priced re-issue of The Rolling Home Presents the Culture of Vanlife - An inspiring book about the freedom and mobility of van life written and compiled by the editors the Rolling Home Journal From the fringes of society to the envy-inducing images on social media, how and why has vanlife become more popular than ever before?
