Teenage The Creation Of Youth

Rather, the teenager as icon can be traced back to the 1890s, when the foundations for the new century were laid in urban youth culture. Teenage: The Creation of Youth Culture is a monumental cultural history that charts the spread of the American ideal of youth through England and Europe and around the world.

Teenage: The Creation of Youth Culture by Jon Savage

The concept of teenagers as a group separate from children and

adults is relatively new. It wasn't until World War II that the word existed and that was in response to advertisers who realized that young people had money to spend. But teenagers weren't invented during the 1940s.
