Grab all four books in the thrilling TERRADOX series for one low price, in this great value 1600-page sci-fi box set! With Earth in turmoil under the iron fist of a despotic Global Union, a small group of exiles flees for the safety of a distant research station. They were heading for Venus. Somewhere else found them first.

Craig A Falconer's 'Terradox' is an interesting and exciting Science Fiction thriller of a book. A spacecraft bound for a research station orbiting Venus is diverted from it's path to land on an uncharted planet between Earth and Venus... a planet that just should not exist. The eight survivors are hard pressed to explain where, in fact, they are.

Billings, MT Robert Sprague from SiteWinderGPS explains that the company purchased the rights to all of Terradox Corporation's product line, including all hardware and software designs, when it went bankrupt last July. SiteWinderGPS has now set up service and support for previously purchased products.
