The American title insurance industry : how a cartel fleeces the American consumer by Eaton, Joseph W., 1919-2012. Publication date 2007 Topics Title insurance -- United States, Title companies -- United States Publisher New York : New York University Press Collection

Today, title insurance is a multibillion-dollar industry in the U.S. that employs over 50,000 people and enjoys a loss ratio of just 7 percent — for every \$100 collected in premiums, it pays out...

Title Insurance in the US industry trends (2015-2020) Title Insurance in the US industry outlook (2020-2025) poll Average industry growth 2020-2025 : x.x lock Purchase this report or a membership to unlock the average company profit margin for this industry.

In The American Title Insurance Industry, Joseph and David Eaton present evidence that improvements in recordkeeping over the

last sixty years—particularly the advent of computers—have reduced the likelihood of a defective title going unnoticed in a property transaction. But the industry's flaws run deeper than mere obsolescence: in most states, title insurers are allowed to engage in anticompetitive business practices, including price-fixing.

The American title insurance industry : how a cartel ...

In The American Title Insurance Industry, Joseph and David Eaton present evidence that improvements in recordkeeping over the last sixty years—particularly the advent of computers—have reduced the likelihood of a defective title going unnoticed in a property transaction. But the industry's flaws run deeper than mere obsolescence: in most states, title insurers are allowed to engage in anticompetitive business practices, including price-fixing.

The title insurance industry is just another example of corporate greed in America, and it's time for voters to demand reform. Let the title companies open their books (all of them) and have them explain the administrative and marketing expenses and how these expenses benefit consumers.
