U2MKOW - MUHAMMAD SUMMERS

The adventure begins for brave little Shylo and his Royal Rabbit friends in this charming series from bestselling authors Santa Montefiore and Simon Sebag Montefiore and illustrator Kate Hindley, that proves even the smallest rabbit can be the biggest hero. Life is an adventure. Anything in the world is possible – by will and by luck, with a moist carrot, a wet nose and a slice of mad courage! Shylo has always been the runt of the litter, the weakest and quietest of all of his family. His siblings spend their days making fun of him for not being like the rest of them. But when Shylo stumbles across a band of ratzis and overhears their evil plan to take a photo of the Queen in her nightie, it's up to this unlikely hero to travel to London and inform the Royal Rabbits of London about the diabolical plot! The Royal Rabbits have a proud history of protecting the royal family and now the secret society need to leap into action to stop the ratzis... But can a rabbit as feeble and shy as Shylo convince them that Queen is in danger? Praise for The Royal Rabbits: 'Packed with fun, fantasy and the sort of adventure guaranteed to have sticky little fingers hungrily turning the pages' The Mail on Sunday 'The Royal Rabbits is sweet, funny and beautifully illustrated' The Times

Now updated—a highly informative guide to the joys of bunny ownership Rabbits For Dummies gives readers a well-informed look before hopping headlong into the wonderful world of raising rabbits. From choosing a rabbit and preparing its home to feeding, grooming, and training, this practical guide provides a wealth of hutch-tested tips. Packed with informative photographs and beautifully detailed illustrations, Rabbits For Dummies includes up-to-date veterinary information, explains rabbit body language, advises on

treating common rabbit maladies, covers the latest on organic cuisine and homegrown feeding options, and suggests training tips for acclimating a new bunny into the household. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of Rabbits For Dummies (9781119696780). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!

Little Rabbit and her friends are playing in the snow. Rose Rabbit and Grey Rabbit are skating fast and slow. Honey Rabbit and Rust Rabbit are sledging from top to bottom. And Little Rabbit and Brown Rabbit are busy rolling snowballs, one big and one small, ready to make a snowman. But when the sun goes down it's time to say 'goodbye' cold snow, 'hello' hot carrot soup. Kind Little Rabbit has made enough for everyone! Rabbits in the Snow is a stunning book of opposites, beautifully screen-printed by Natalie Russell.

Each day of April brings young Robert rabbits equal in number to the day's date and each day's batch is wackier in dress and behavior than the previous day's.

'Truly exquisite large pictures tell a sweet story of two little rabbits who lived 'happily ever after' in the friendly forest.' —CS. 'Will delight the youngest ones. . . . Of unusual beauty.' —SLJ.

Join three bunnies and their mother for a day of Spring cleaning in this cute, shaped board book with adorable illustrations by Lisa McCue. When Mama says it's time for a good spring cleaning, Rosy, Posy, and Dozy decide to help out! Young children will enjoy following along as the cute little bunnies hang the wash, sweep

the garden path, and end the day with a bath and sweet snack.

The habits of rabbits are many, not few with plenty of things that they love to do!

Two pet rabbits sneak out of their cage at night to tidy the house and do other chores so that their owners will have more time to play with them.

This is dark humour at its best - a collection of hilarious and outrageous cartoons which will appeal to anyone in touch with their evil side.

Author Alicia Ezpeleta explores the surprisingly complex lore and mystique surrounding rabbits, beginning with a brief introduction placing the animals in cultural, artistic, and popular context, followed by a look at the often contradictory symbolism surrounding them. One learns, for example, that during the Middle Ages the creatures were both feared as harbingers of evil and revered as symbols of fertility. The author then presents an amazingly diverse array of rabbits in art - from pastoral to literary to delightfully decorative. She closes with an overview of rabbits in the world of children, represented in everything from carousels to toys to beloved children's books. The 146 illustrations, 82 of them in color, include all the great hares of history: from the seasonal Easter Bunny and the March Hare, to the clever and inquisitive Br'er Rabbit of folklore and the mischievous Peter Rabbit of children's tales, to the manic Roger Rabbit of the silver screen and that classic cartoon wise guy, Bugs Bunny. Among the many images are Egyptian hieroglyphics and Roman coins, medieval manuscripts and Renaissance watercolors, modern paintings and sculpture, tapestries and quilts, jewelry, decorative objects, and much more. A Selected bibliography and index complete this appealing book, a must for rabbit fanciers everywhere.

Revered as a symbol of fertility, sexuality, purity and childhood, beloved as a children's pet and widely represented in the myths, art and collectibles of almost every culture, the rabbit is one of the most popular animals known to humans. Ironically, it has also been one of the most misunderstood and abused. Indeed, the rabbit is the only animal that our culture adores as a pet, idolizes as a storybook hero and slaughters for commercial purposes. *Stories Rabbits Tell* takes a comprehensive look at the rabbit as a wild animal, ancient symbol, pop culture icon, commercial "product" and domestic.

Here's the perfect bedtime read-aloud for the very youngest child. The text is filled with fun noises—click clack, click clack—and a repeating refrain—good night, good night, sleep tight—that's sure to have kids chiming in as they follow the antics of these bunnies who won't stay in bed. Kids will identify with the mischievous bunnies and their desire to play. Meanwhile, parents will empathize with Mama and Daddy's struggle to get them to sleep.

Old Mother Rabbit's twenty-six children, each named for a letter of the alphabet, are loving put to bed.

Story time for little ones has never been this exciting! When a friendly monster spots a group of bunnies in the woods, his delight is contagious. And when they're gone, how he misses them. With bright illustrations and a simple text, this is the most fun type of read-aloud and one that mirrors most every toddler's emotional life. "A diplomatic exploration of loving not wisely, but too well." —Publishers Weekly "The madcap action that will have [children] laughing with delight and asking for the book again." —School Library Journal *Bunnies!!!*, by Tickle Monster illustrator Kevan Atteberry, is perfect for fans of Mo Willems and Sandra Boynton.

These bunnies may look adorable, but there's more than meets the eye! In *Rascally Rabbits!*, meet some rabbits that cause nothing but trouble, a rescue pup who will eat ANYTHING, and a sneaky bear with a taste for treats. Readers won't stop laughing as they read these hilarious—and completely true!—stories. Filled with engaging photos, fast facts, and fascinating sidebars, readers won't want to put this book down.

Rabbits don't belong in the farmyard. So it creates quite a stir when Rupert the rabbit pops up. He tries to make himself useful, but he can't cock-a-doodle-do like Cockerel, and when he tries to lay an egg like Dora the duck, it's a disaster! Luckily Rupert is

good at digging, which soon leads to the most unexpected farm job of all . . . *Rabbits Don't Lay Eggs!* from Paula Metcalf and Cally Johnson-Isaacs, the creators of *Charlie Crow in the Snow*, is an egg-ceedingly funny farmyard caper. A chunky board book with a glittery cover, this is the perfect book for an Easter gift – or any time of the year!

A deadly underground game might just be altering reality itself in this all-new adventure set in the world of the hit *Rabbits* podcast. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL • "A wild ride . . . impossible to put down."—Publishers Weekly (starred review) It's an average work day. You've been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m. You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444. Coincidence? Or have you just seen the edge of a rabbit hole? *Rabbits* is a mysterious alternate reality game so vast it uses the entire world as its canvas. Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown. So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself. But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising. And now the eleventh round is about to begin. Enter K—a *Rabbits* obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration. Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price. Five days later, Scarpio is declared missing. Two weeks after that, K blows the deadline: Eleven begins. And suddenly, the fate of the entire universe is at stake.

A romping, riotous read-aloud from best-selling author Philip Ardagh and award-winning illustrator Ben Mantle *Bunnies on the bus!* *Bunnies on the bus!* No wonder there's a fuss about the bunnies on the bus! There are bunnies on the bus, and they're causing mayhem in Sunny Town! Watch as they whiz past the bus stop, fly by the swings, and zoom over the crosswalk -- these bunnies aren't stopping for anyone. They finally reach the station, but where are they hopping off to now? Uh-oh . . . Acclaimed author

Philip Ardagh's rhyming, high-energy text and "Bunnies on the bus!" refrain is ideal for library or classroom read-alouds, and Ben Mantle's colorful illustrations are chock-full of zany details perfect for repeat reads.

Young sailor and aspiring Olympic competitor Kevin A. Hall's biggest dream was to raise a family. But within the space of three years, he was diagnosed with both testicular cancer and bipolar disorder, putting his family and Olympic dreams on hold. He soon found that surviving cancer was the easy part. At the age of twenty, Hall began experiencing the exhilarating highs and terrifying lows of bipolar disorder—along with delusions that could make his reality seem like a waking nightmare. And in what could have been a final blow, after four years of struggling to provide love and support, his soul mate chose self-preservation and walked away. Now a renowned Olympic and America's Cup sailor with a wonderful wife and family, Hall shares a behind-the-scenes look at his struggles with mental illness in the riveting memoir *Black Sails White Rabbits*. In the face of crushing ups and downs, hospitalizations, and family drama, Hall has learned to weather the ever-changing tide of health struggles and personal woes, achieving success despite seemingly impossible odds. A courageous look at a life filled with overwhelming challenges, this frank and fierce memoir also contains a surprising love story at its core, a tribute to the woman by his side. "This is a compelling and extraordinary book about a life of extremes. Of mental pain and sporting triumph, of acute despair and a determination to achieve what others take for granted: a settled family life with a wife and children who love him. It's a jagged ride, funny, romantic and agonizing. *Black Sails White Rabbits* is essential for what it says about mental illness and how cruelly we still treat it. And like all the best art, it's honesty is cathartic." - Philip Delves Broughton, New York Times Bestselling author of *Ahead of the Curve: Two Years at Harvard Business School* and *The Art of the Sale* "A devastatingly honest account of being bipolar, told with amazing insight, great feeling and unbelievable humor." - Kendall Hailey, author of *The Day I Became An Autodidact* "Kevin Hall has an extraordinary life and his book leads us through it in a bracingly honest and intimate way. Moving, sad and humorous, *Black Sails White Rabbits* should be required reading for all mental health professionals but will be enjoyed by anyone interested in human struggle and perseverance; the book tackles questions of identity that confront us al-

I." - Joel Gold, M.D. author of *Suspicious Minds: How Culture Shapes Madness* Clinical Associate Professor, Department of Psychiatry NYU School of Medicine "This is simply the best book about competitive sailing I have ever read." - Nathaniel Philbrick, author of *In the Heart of the Sea* and *Why Read Moby-Dick*

Try as hard as you like, there's just no pleasing a disapproving rabbit. Let them hop around your house, they'll disapprove of your decorating skills. Feed them tasty veggies, they'll disapprove of your culinary skills. Sit together in your yard, and they'll disapprove of your gardening (even as they devour it). Long thought of as mindless raiders of gardens and happy couriers of colored eggs, it's almost as if rabbits have been getting the best of us for years, secretly disapproving of all our non-rabbit ways. Fortunately Sharon Stiteler, known as the Bird Chick for her work in the birding community, began to notice something not-quite-right about her pet rabbit Cinnamon. It appeared that Cinnamon didn't approve . . . of anything. After studying a great many photos, Sharon has soundly and without-out-a-doubt proved that rabbits have some major attitude.

Discusses the advantages of Lops as pets and explains how to care for them, housebreak them, and handle them.

It's nearly impossible to look at a wiggling nose without smiling! Maybe that's why baby bunnies are so fun to watch, even when they stay completely still. Hop from page to page to see little bunnies both stiff like statues and on the move. The sides of your mouth are sure to rise!

At twelve years old, Avery Norton had everything: a boyfriend who was also her best friend, the entirety of Martha's Vineyard as her playground, and her very own garden to tend. By thirteen, it was all over. The discovery of a secret crypt in the basement starts the Norton family down many unexpected avenues, including one that leads to Avery's arrest for murder and her subsequent imprisonment in Taunton State Lunatic Asylum. Set in 1950s Massachusetts, *Rabbits in the Garden* follows Avery Norton's struggle to prove her innocence and escape Taunton with her mind intact.

Buy this amazing and elegant notebook for yourself or for anyone who's love rabbits. Perfect for documenting notes, ideas, organizing thoughts or even sketching. ♦ 9 x 6 inches ♦ 110 blank lined pages ♦ Stylish matte finish cover Check out our other awesome designs for all ages by clicking on our brand name.

This spirited picture book celebrates Native American traditions as it teaches young children to count from one to ten. The whimsical illustrations of *Ten Little Rabbits*, reminiscent of Beatrix Potter, glow with brilliant color and are filled with fascinating detail. Each number introduces a facet of traditional Native American culture, such as Pueblo corn dances or Navajo weaving, and the simple, rhyming text is enhanced by a brief afterword on Native American customs. Ideal for story time or bedtime, this is a book sure to leave children counting rabbits instead of sheep. Winner of the International Reading Association Children's Book Award Praise for *Ten Little Rabbits* "Writer Virginia Grossman and artist Sylvia Long, a Dakota Indian, have created this book with honesty and careful attention to authenticity and beauty, and the result is a high-quality combination of rhyme, culture, and artistic expression that will please children." —Booklist "A valuable replacement for the old, stereotypical ten little Indians rhyme. . . . A delightful visual treat." —TheFiveOwls "A quiet, respectful survey of some Native American customs organized through the structure of a counting rhyme, populated by rabbits dressed in traditional garb. . . . Notes at the back identify each tribe represented (Plains, Pueblo, Great Lakes, Northwestern, and Southwestern peoples), and provide information about the pictures. The rabbits have an earnest charm reminiscent of Marjorie Flack's industrious family." —School Library Journal

When broken down into their biological elements, people and animals are fascinating creatures that exhibit unique characteristics and go through very interesting life processes. Through engaging text enhanced by whimsical color illustrations and a fun quiz, students can discover just how much they know about animals.

Over the protests of Owl, a narrator introduces an alphabet consisting entirely of rabbits.

From Caldecott Honor winner Leo Lionni, this is the perfect "tail" for bunny fans everywhere! A tale of two rabbits that celebrates creativity and crafting, from four-time Caldecott Honor winner Leo Lionni. "Let's, make rabbits," say the scissors to the pencil, and, before the reader's eyes, two rabbits appear—one drawn by the pencil, the other cut from brightly patterned paper by the scissors. When the rabbits are hungry, the scissors and the pencil provide paper carrots. But one day the taste of a real carrot leads to a magical surprise. Readers will delight in this imaginative tale from four-time Caldecott Honor Winner Leo Lionni.

From Caldecott Honor-winning creator Anita Lobel comes a mouth-watering picture book about ten hungry rabbits who find ten yummy vegetables for Mama Rabbit's soup while teaching colors and counting along the way! One by one, ten very hungry rabbits find ten very yummy vegetables for Mama Rabbit's soup pot. One big purple cabbage, two white onions, three yellow peppers, and so on until her pot is full! Garden vegetables have never looked so appetizing in this delightful story that introduces the early learning concepts of counting and color to young readers—and might even tempt picky eaters to eat their vegetables!

They're very good at hopping, and not so good at stopping! You've got front-row seats to the cutest revue in town—hop on down to *The Bunny Rabbit Show!* The latest addition to Sandra Boynton's phenomenal bestselling *Boynton on Board* series, this book stars a cast of high-kicking bunnies performing in perfect unison to a lively song all about . . . them. We are ten terrific rabbits And we like to dance and sing. Ten terrific rabbits. We can do most anything. Bunnies are very welcoming, so everyone (Boynton's pigs, sheep, chickens, and YOU) can come join the chorus line—bunny ears mandatory, of course. An exuberant original song by Sandra Boynton and Mike Ford is available for download. CHOSEN AS BOOK OF THE MONTH BY AFRORI BOOKS FEATURED ON BBC RADIO 4: OPEN BOOK 'It's hard not to fall for the main character . . . you can see the car crash coming, but you can't look away' CLAIRE FULLER 'A brilliantly crafted story about class and race, and the failure of society to catch children who fall through the cracks' INDEPENDENT Kai lives on a rural council estate in Somerset with his three older sisters, and his mum who is being led into an addiction by his troubled father. Kai adores three things: his dad, his friend Saffie and the school rabbit Flopsy - and is full of ambition to be the fastest runner in Middledown Primary. But Kai's natural optimism and energy collide with an adult world he doesn't understand. And when his life drifts towards an event that will change everything, will his love of nature and the wild rabbits in the woods provide him with the resilience he needs to overcome the odds? 'A heartfelt novel about poverty, race and trauma' GUARDIAN 'A brilliant debut; vivid and compelling' JENNI FAGAN

As Robert goes about his daily activities during April, he encounters an ever-increasing number of rabbits.

Rabbits invade a young gardener's garden in the hopes of finding

carrots to eat. Can they eat their fill of tasty vegetables and not get caught?

One by one, as they walk down the road, seven little rabbits get tired and find a place to sleep.

Introduces domestic cats and describes how pet cats live.

As Noah looks in every room on the ark for space for two rabbits to stay, flaps lift to reveal the hiding places of the ark's passengers.

A concise guide to the care of small mammals, Ferrets, Rabbits, and Rodents: Clinical Medicine and Surgery covers the conditions seen most often in veterinary practice. The book emphasizes preventive medicine along with topics including disease management, ophthalmology, dentistry, and zoonosis. More than 400 illustrations demonstrate key concepts related to radiographic inter-

pretation, relevant anatomy, and diagnostic, surgical, and therapeutic techniques. Now in full color, this edition adds coverage of more surgical procedures and expands coverage of zoonotic disease. From editors Katherine Quesenberry and James W. Carpenter, along with a team of expert contributors, the "Pink Book" provides an authoritative, single source of information that is hard to find elsewhere. A logical organization makes it quick and easy to find important information, with each section devoted to a single animal and chapters within each section organized by body system. Over 400 photographs and illustrations highlight key concepts such as radiographic interpretation and the main points of diagnostic, surgical, and therapeutic techniques. A chapter on ophthalmology provides hard-to-find information on eye care for ferrets, rabbits, rodents, and other small mammals. Coverage of preventive medicine includes basic biology, husbandry, and routine

care of the healthy animal. The drug formulary supplies dosage instructions for ferrets, rabbits, guinea pigs, chinchillas, hamsters, rats/mice, prairie dogs, hedgehogs, and sugar gliders. Chapter outlines offer at-a-glance overviews of the contents of each chapter. Handy tables and charts make it easy to find key information. Expanded Zoonotic Diseases chapter adds more depth along with the latest information on the rising potential for disease transmission to humans as exotic pets become more popular. Additional surgical procedures for each species are included, some with step-by-step instructions accompanied by color photographs and line drawings. Full-color images show the sometimes minute structures of these small animals and make accurate diagnoses easier, especially for lymphoproliferative diseases of rabbits, endoscopy, cytology, and hematology.
