SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEB-BEL, AND MICHAEL IMPERIOLI. From New York Times bestselling author Jeffery Deaver--Lincoln Rhyme is back, and on the trail of a killer whose weapon of choice cripples New York City with fear. The weapon is invisible and omnipresent. Without it, modern society grinds to a halt. It is electricity. The killer harnesses and steers huge arc flashes with voltage so high and heat so searing that steel melts and his victims are set afire. When the first explosion occurs in broad daylight, reducing a city bus to a pile of molten metal, officials fear terrorism. Rhyme, a world-class forensic criminologist known for his successful apprehension of the most devious criminals, is immediately tapped for the investigation. Long a quadriplegic, he assembles NYPD detective Amelia Sachs and officer Ron Pulas-ki as his eyes, ears and legs on crime sites, and FBI agent Fred Dellray as his undercover man on the street. As the attacks continue across the city at a sickening pace, and terrifying demand letters begin appearing, the team works desperately against time and with maddeningly little forensic evidence to try to find the killer. Or is it killers...? Meanwhile, Rhyme is consulting on another high-profile investigation in Mexico with a most coveted quarry in his crosshairs: the hired killer known as the Watchmaker, one of the few criminals to have eluded Rhyme's net. Juggling two massive investigations against a cruel ticking clock takes a toll on Rhyme's health. Soon Rhyme is fighting on

yet another front—and his determination to work despite his physical limitations threatens to drive away his closest allies when he needs them most...

A signature Jeffery Deaver. A cat and mouse chase that will leave you breathless.

Technology is everywhere. It makes our lives easier, our connections faster and journeys quicker. But in the hands of someone smart enough, every piece of technology can be a murder weapon. When an escalator gives way mid-chase, Amelia Sachs is forced to let a killer escape as she helps the man trapped in the depths. Now Sachs and forensic detective Lincoln Rhyme must investigate if the collapse was a freak accident - or whether they are facing a murderer who knows exactly how fatal machines can be.

DANGEROUSLY GOOD. DISTINCTIVELY DEEVER. Lincoln Rhyme and Amelia Sachs return to New York City to confront a killer terrorizing couples at their happiest--and most vulnerable. In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promiser makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

A vicious killer escapes from a California super-prison and embarks on a mysterious and deadly quest. It's up to Kathryn Dance and her CBI partners to track him down before he can get to the lone survivor of the murders he had committed. Now in a tall Premium Edition.
