8CLZ5G - CHAMBERS MCMAHON

Is there credible evidence that Jesus of Nazareth really is the Son of God? Now a major motion picture, *Case for Christ*, Strobel retraces his own spiritual journey from atheism and former legal editor of the *Chicago Tribune* to faith. Strobel cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandeis who are recognized authorities in their own fields. He challenges them with questions like, how reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event? Strobel's tough, point-blank questions read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. The new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries, fresh recommendations for further study, and an interview with the author that tells dramatic stories about the book's impact, provides behind-the-scenes information, and responds to critiques of the book by skeptics. As *The Case for Christ* and its ancillary resources approach 10 million copies in print, this updated edition will prove even more valuable to contemporary readers.

The purpose of this series is to make selected articles from my website, *Spiritual Insights for Everyday Life* (<https://leewoof.org/>), available in print and eBook formats. *Spiritual Insights for Everyday Life* has hundreds of articles offering a thoughtful, contemporary spiritual perspective on God, the Bible, the afterlife, relationships, and how to live a life that leads to heaven. Volume 2 offers a selection of 51 articles providing a deeper look at the Bible, its stories, and their meaning for our everyday life. I hope you will find these articles enjoyable and enlightening as you move forward on your spiritual journey

This timeless, compelling, and thought-provoking book on the Christian faith, now updated, includes two all-new chapters, a current list of recommended resources for further study, and a new discussion guide. In *The Case for Faith*, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot" "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: *The Case for Faith* Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of *Case for...* books: *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the "how" and "why" behind God's amazing grace . . . and more!

Answers to the most-asked questions about Christian faith! *The Case for Christianity Answer Book* is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. *The Case for Christianity Answer Book* provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

In *The Case for Grace*, bestselling author Lee Strobel crafts a compelling and highly personal case for God, focusing on God's transforming work in the lives of men and women today. In this book, you'll encounter racists, addicts, and even murderers who have found new hope and purpose. You'll meet once-bitter people who have received God's power to forgive those who have harmed them - and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves. Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming

love for spiritually wayward people. He travels thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Through it all, you will be encouraged as you see how God's grace can revolutionize your eternity and relationships . . . starting today. Also available: *The Case for Grace* Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of *Case for...* books: *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Faith* responds to eight major objections about Christianity . . . and more

Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout *The Case for Christ Study Bible* provide a solid explanation of where the historical and scientific evidence point - toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. *The Case for Christ Study Bible* features more than 500 notes and articles, including: A.) *The Case for a Creator*: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. B.) *The Case for the Bible*: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. C.) *The Case for Christ*: investigating Jesus' claims, Messianic identity, deity, and resurrection. D.) And much more. *The Good News of the Gospel* transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In his #1 best-seller *The Case for Christ*, Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. In *The Case for Faith*, Strobel turns his skills to the most persistent emotional objections to belief--the eight "heart barriers" to faith. This Gold Medallion-winning book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends. "Everyone--seekers, doubters, fervent believers--benefits when Lee Strobel hits the road in search of answers, as he does again in *The Case for Faith*. In the course of his probing interviews, some of the toughest intellectual obstacles to faith fall away." - Luis Palau "Lee Strobel has given believers and skeptics alike a gift in this book. He does not avoid seeking the most difficult questions imaginable, and refuses to provide simplistic answers that do more harm than good." - Jerry Sittser, professor of religion, Whitworth College, and author of *A Grace Disguised* and *The Will of God as a Way of Life*

"This book will prove to be a most effective weapon... against the debunking and skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves." - Robert Barron, author of *Catholicism For well over a hundred years now, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In *The Case for Jesus*, Dr. Brant Pitre, the bestselling author of *Jesus and the Jewish Roots of the Eucharist*, goes back to the sources--the biblical and historical evidence for Christ--in order to answer several key questions, including: • Were the four Gospels really anonymous? • Are the Gospels folklore? Or are they biographies? • Were the four Gospels written too late to be reliable? • What about the so-called "Lost Gospels," such as "Q" and the Gospel of Thomas? • Did Jesus claim to be God? • Is Jesus divine in all four Gospels? Or only in John? • Did Jesus fulfill the Jewish prophecies of the Messiah? • Why was Jesus crucified? • What is the evidence for the Resurrection? As *The Case for Jesus* will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context.*

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Why do you believe what you believe? How can you know your faith is credible? Many Christians today struggle to answer these

questions. Though you may know what you believe, the why and how behind the thought can be complex, confusing, and even mysterious. In *Today's Moment of Truth*, bestselling author Lee Strobel articulates in 180 easy-to-read devotions the reasons why Christians believe what they believe. Combining his expertise in apologetics with his journalistic approach to parsing out the details, this devotional will leave you deeply encouraged and well-informed. Topics range from scientific discoveries to theological explanations, and each devotion is followed by a brief reflection and prayer for meditation. The time has come to walk confidently in your faith. *Today's Moment of Truth* will be an invaluable tool as you grow in your understanding of and faith in Christ.

Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: *The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.*

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist--turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that - stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel - an award-winning legal journalist with a knack for asking tough questions - decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence - how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*?

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

Is Jesus real? Was he actually born in a stable? Did he really come back from the dead? Aren't all the stories in the Bible about Jesus just that ... stories? Kids ages 8-12 can join in this incredible search for the truth about Jesus, including the answers that

changed the life of investigative reporter and international best-selling author Lee Strobel. Here's a book that finally answers the most important questions about the existence, life, death, and resurrection of Jesus. Will Lee Strobel's findings bring Christianity's claims about Jesus tumbling down like a house of cards, or prove the facts support what Christians believe? The Case for Christ Young Reader's Edition is: Written specifically for readers ages 8-12, and presented in a way that is logical and easy to understand Based on the adult edition, which has sold over 5 million copies Perfect for encouraging a child's faith, and is also ideal for homeschool use or as a first communion gift for boys or girls Packed full of well-researched, reliable, and eye-opening investigations of some of the toughest questions kids have about Christianity Contains discussion questions and room for kids to write out their thoughts Full of the evidence about Jesus that rocked the world of atheist investigative reporter Lee Strobel A sturdy hard-cover book with a place-keeping ribbon Like Strobel, you will be amazed at the evidence—how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ? The Case for Christ Young Reader's Edition is perfect for: Homeschool, church libraries, and middle-school church education classes Encouraging a child's faith development Unpacking biblical principles in a way anyone can understand Also check out The Case for Heaven Young Reader's Edition!

Based on Lee Strobel's bestselling title, *The Case for Christ*, this six-lesson curriculum will help kids answer big questions on the existence, miracles, ministry and resurrection of Jesus of Nazareth."

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes.

The author of "The Case for Christ" now presents thoughts on the spiritual aspects of marriage.

Every graduate faces important decisions about their future, but the most important question they must ask themselves is: What do I believe in? Bestselling author Lee Strobel explores this very question in *The Case for Christ Graduate Edition*, using his award-winning journalistic skills to investigate Jesus and prove once and for all whether the claims about him are true. With its elegant design and ribbon marker, this beautiful keepsake makes a perfect graduation gift. There's historical proof that Jesus existed, but was he really the savior he claimed to be? Lee Strobel decided to dig into the evidence to see if the Bible's claims about Jesus were true. *The Case for Christ Graduate Edition* adapts the New York Times bestselling *The Case for Christ* and presents Strobel's well-researched and eye-opening investigation specially for young adults. Strobel's findings, as well as his journey from skeptic to believer, will resonate with graduates from all walks of life. *The Case for Christ Graduate Edition* features: A beautifully designed cover and ribbon marker, making it ideal for gift giving Hard-hitting questions about Christianity that young adults often ask and encounter in their own lives A thorough investigation into the historical reliability, eyewitness testimonies, and scientific evidence of Jesus's birth, miracles, ministry, and resurrection Infographics and charts to make the facts clear Research and findings from *The Case for Christ*, which has sold over 5 million copies Also check out these other books from Lee Strobel for young adults: *The Case for a Creator Student Edition*, *The Case for Faith Student Edition*, *The Case for the Real Jesus Student Edition*, and *The Case for Miracles Student Edition*

Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in *The Case for a Creator*. Also available: *The Case for a Creator* small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

Is Jesus really the Son of God, the Messiah? Lee Strobel wasn't so sure. So, he decided to use his award-winning journalistic skills to

investigate Jesus and prove once and for all if all the claims about him are true. *The Case for Christ Student Edition* adapts Strobel's New York Times bestselling book to present hard-hitting findings as well as Lee's journey from skepticism to belief in an easy-to-follow manner so you can make a decision about Jesus for yourself. *The Case for Christ Student Edition*: Written for children ages 12 and older Presents the arguments for and against Christianity teens and young adults often ask and encounter so they can see the real facts Uses logic and solid information to examine why Christians believe what they do Can also be used in the classroom, in group studies, or as part of a religious studies or comparison class Contains infographics and charts to make the facts clear Pairs well with *The Case for a Creator Student Edition*, *The Case for Faith Student Edition*, *The Case for the Real Jesus Student Edition*, and *The Case for Miracles Student Edition* Lee Strobel's research provides: Scientific data, expert testimonies and interviews Cross-religious comparisons Historical and archeological proofs he discovered during his investigation The conclusion he finally came to about Christianity that changed his life forever There's historical proof a guy named Jesus walked on the earth but was he really performing miracles? Did he actually rise from the dead? And was he truly the prophesied savior he claimed to be? Lee Strobel found it all hard to believe, and his doubts led him to ask the tough questions and dig into the real evidence to see if the Bible's claims and Jesus's words were true.

With clear facts and answers to the questions kids eight to twelve ask most, this adaptation of Lee Strobel's New York Times bestselling and award-winning *The Case for Christ* uses kid-friendly language to explore the research, eyewitness accounts, and evidence behind the question of whether Jesus really was the savior the Bible promised, and if he is, what that answer means for our lives today. Maybe you go to church every week and have listened to Bible stories so often that you can recite them word for word. Or maybe you know someone who is a Christian and are curious about why they believe the things they do. Either way, while you've been told Jesus was God's son, that he lived thousands of years ago, and that he died on a cross to save everyone from sin ... and then rose from the dead and now lives in heaven, you have some questions. For instance, how do you know that everything about Jesus is actually true? Well, here's a book that gives you all the answers. Inside is the historical evidence, expert testimonies, extensive research, and scientific proofs that point to the truth about Jesus and who he said he was, as well as why Christians believe what they do. And once you have all the answers, you will know for sure whether or not Jesus is the Messiah, and have the facts to share with others. *The Case for Christ for Kids*: Is a solid source of information that looks at all sides of the issue to present solid evidence behind each conclusion and fact about the Christian faith Has illustrations and callout graphics to make the topics memorable for kids eight and up Is an excellent resource for Sunday schools, church libraries, and homeschooling Can be used on its own or alongside other books like *The Case for a Creator for Kids*, *The Case for Faith for Kids*, and *The Case for Miracles for Kids* to help children with faith development and answer questions they wonder about most Pairs with *Case for Christ for Kids 90-Day Devotional*, which expands on the themes of *The Case for Christ for Kids* to apply those truths to late elementary and middle school kids' everyday lives

When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

Bestselling authors Lee Strobel and Mark Mittelberg draw on the principles in *The Case for Christ* to provide a training course for believers that equips them with practical tools to share their faith.

Two leading apologists offer fact-based, intelligent devotions to build a foundational faith. These 180 insightful writings will strengthen believers' spiritual knowledge and touch their hearts with life-changing truth.

God's astounding claims about himself and his work on our behalf are embedded throughout the pages of Scripture. He sees potential in us that we don't see in our wildest dreams. He sees qualities that we don't think we can ever achieve. He has faith in us that we lack in ourselves. But when we know and fully understand what He has promised, we are liberated to grow in virtue, live out our faith as an adventure, relate to others with authenticity, earn a living with integrity, and make a difference in our culture--all through his power. Lee Strobel's insights into the benefits of living as a fully devoted follower of Christ are refreshing and powerfully

relevant. Using true stories, including his own, he shows that Christianity really works, that we really can live transformed, authentic, and effective lives--and that God's promises and power are very real and very true.

The tough questions kids 8-12 ask about faith, Jesus, and Christianity are investigated and answered in this 365-day devotional that uses the historical facts and theological truths found in *The Case for Christ* to help young readers develop their faith and understand what it means to be a Christian. Each day's reading also includes reflection questions, helping kids think through what their faith personally means to them. Become an expert witness for Jesus! For kids who want to learn more about Christianity or simply have questions about the Bible, this devotional helps young readers understand why Jesus's ministry and miracles are true and why we can confidently believe in Jesus today. *The Case for Christ Devotions for Kids*: Includes 365 days of devotions for kids that use kid-friendly language, engaging illustrations, and clear examples to help kids understand faith and the proven truths that support Christianity Mixes inspirational prose with facts, research, and true stories Is based around material from the New York Times bestselling *The Case for Christ* by Lee Strobel In addition, *The Case for Christ Devotions for Kids*: Can be used for family devotion time Is ideal for boys and girls ages 8-12 Is a perfect way to encourage a child's spiritual development and engage them with the Bible Makes a great gift for Christmas, Easter, or at the start of a new year If you enjoyed *The Case for Christ Devotions for Kids*, don't forget to check out *The Case for Christ for Young Readers*, which directly adapts Lee Strobel's *The Case for Christ* for kids 8-12.

Explores provocative questions about modern scholarship and conspiracy theories that debunk the traditional Christ, inviting readers to evaluate the arguments and evidence presented by Muslim scholars, liberal theologians, and atheists, and reach their own verdict.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In *The Case for Faith*, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot" "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in Hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: *The Case for Faith Spanish edition*, *kids' edition*, and *student edition*. Plus, be sure to check out Lee Strobel's entire collection of *Case for...* books: *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the "how" and "why" behind God's amazing grace . . . and more!

Equip your youth group with solid reasons for their faith. How well do the kids in your group know why they believe what they believe? Don't leave them groping for answers---equip them now with a strong apologetic for the real-life questions and challenges they'll face as Christians. In *The Case for Christ* and *The Case for Faith* student editions, Lee Strobel unfolds the compelling evidence that turned him from an atheist to a Christian. This leader's guide gives you everything you need to take your youth group or Sunday school class through both books. Five riveting sessions per book (ten sessions total) will furnish your kids with persuasive reasons for their faith in Christ. Here's what you and your group can expect: Session 1 dramatically illustrates for your group the importance of knowing the facts about Christianity. Sessions 2, 3 and 4 consider the important objections people raise to Christianity, and respond with an in-depth look at the evidence for belief in Jesus and the Christian faith. Session 5 takes your group from learning to application as they draw on what they've learned in an actual evangelistic scenario. You'll also find a skit suitable for publicizing *The Case for Christ* sessions in church to both kids and parents. Get excited! These powerful studies will boost the faith of your kids, and their confidence to share it, to a whole new level.

Is there credible evidence that Jesus of Nazareth is really the Son of God? This new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries.

Please note: This is a companion version & not the original book. *Sample Book Insights: #1* I decided to test the claims of Christianity. I was sure that Jesus would agree with me. The real Jesus, I was confident, would roll over in his grave if he knew people were worshiping him. *#2* The Bible is the sourcebook for what Christians believe about Jesus. I suspected that Christians had misread the Bible, and that other people had made claims for Jesus that Jesus himself would never back up. If I could demonstrate from the

Bible itself that Jesus never claimed to be God, then I wouldn't have to go any further. #3 The Bible claims that Jesus has certain characteristics that make him God. If these claims are true, then Jesus must be God. To test whether Jesus is God, you must see if he measures up to these attributes. #4 The titles Christ and Son of the living God are not necessarily interpreted to mean God in the New Testament. Some of Jesus' statements don't seem to be clear claims that he is God.

Have you ever heard Scripture's truths but wondered where to find those truths in the Scriptures? Or have you ever wondered where to find evidence for belief in God in the Bible? You're not alone. Millions of people have asked these same questions, including Lee Strobel - an atheist who engaged in a thorough search for the truth to decide for himself if Jesus was who he claimed to be. Drawn from Lee's own experiences as a former atheist and featuring his journalistic style from his days as an investigative reporter with the Chicago Tribune, the notes and articles throughout The Case for Christ Study Bible are designed to motivate you to investigate the Bible's claims for yourself. Whether you are a Christian seeking encouragement in your faith and knowledge about who God is or a seeker or skeptic searching for answers, you will benefit from Lee's own extensive search for the truth. Some of the excellent study notes found in this Bible include: The Case for Christ Articles Over 220 The Case for Christ notes explore Jesus' claims and deity and demonstrate that he is the Messiah. The Case for the Bible Notes More than 170 The Case for the Bible notes explore the character of the Bible and the extra-biblical evidence that corroborates Scripture as well as explain apparent contradictions within the Bible. The Case for a Creator Notes Seventy-five The Case for a Creator notes highlight the wonders of creation and demonstrate how the scientific evidence points to one all-powerful Creator. The Case for Faith Articles One hundred The Case for Faith articles address questions such as, "How can there be a God that would allow so much pain and suffering?" and, "Doesn't science prove that the world was created by chance?" The Verdict Notes Twenty The Verdict notes provide testimonies from scholars and other Christians who have examined the evidence, discovered the reality of Jesus, and put their faith in him. Book Introductions Sixty-six Book Introductions offer a short

overview of each book. Lee Strobel (www.LeeStrobel.com), with a journalism degree from the University of Missouri and a Master of Studies in Law degree from Yale Law School, was the award-winning legal editor of the Chicago Tribune and a spiritual skeptic until 1981. His books include four Gold Medallion winners and the 2005 Christian Book of the Year (coauthored with Garry Poole). He and his wife live in California.

Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are em-

barrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: The Case for Miracles Spanish edition, kids' edition, and student edition.

Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in God's Not Dead 2, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing Case for Christianity Answer Book into a booklet-sized product that will help lift the visibility of several projects: the parent book (the Answer Book), the newly recovered Case for Christ that will release in tandem with the movie, as well as promoting the movie itself.

Is there credible evidence that Jesus of Nazareth really is the Son of God? Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for truth about Jesus led him to faith in Christ. Now Strobel invites you and your group to investigate the truth about Jesus Christ leading to the facts that guided Strobel from atheism to faith in Christ. In this revised six-session study (DVD/digital video sold separately), participants will journey along with Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh compelling expert testimony. In the end, groups may very well see Jesus in a new way--and even, like Strobel, find their life transformed. Pastors, small group leaders, and individuals will find compelling answers for their questions about Jesus in The Case for Christ Study Guide. Sessions include: The Investigation of a Lifetime Eyewitness Evidence Evidence Outside the Bible Analyzing Jesus Evidence for the Resurrection Reaching Your Verdict Designed for use with The Case for Christ Video Study 9780310698517 (sold separately).
