#### The Celestine Vision: Living the New Spiritual Awareness ...

When James Redfield wrote The Celestine Prophecy and The Tenth Insight, he crystallized a new spiritual vision for millions of people around the globe. Since then people have been gathering together to discuss how spiritual experiences have touched their lives and to explore the global renaissance already under way.

In his non-fiction title, The Celestine Vision: Living the New Spiritual Awareness (Warner Books, 1997), Redfield explored the historical and scientific background of the "emerging spirituality" discussed in his novels.
