Celebrations, Festivals and Holy Days. Four of the festivals have Celtic origins and are known by their Celtic names. The rites practiced at these festivals help followers attune themselves with the natural rhythm of life forces marked by the phases of the moon and the seasonal quarters.

#### Celebrations, Festivals and Holy Days - The Druid Network

The Eightfold Wheel of the Year & the Druid Festivals. Druidry has eight markers, which means that every six weeks or so, we have the opportunity to step out of the humdrum of daily life, to honour the conjunction of Place and Time. The next Festival occurs on February 2nd, or the eve of February

1st.

#### The Eightfold Wheel of the Year & the Druid Festivals ...

The Order of Bards Ovates & Druids. These eight seasonal festivals consist of the solstices and equinoxes - four moments during the year which are dictated by the relationship between the Earth and Sun - and the four 'cross-quarter' festivals which are not determined astronomically, but are related to the traditional pastoral calendar.

It is also reflected in their year beginning with the festival of Samhain on 31 October, when nature appears to be dying down. Tellingly, the first month of the Celtic year is Samonios, 'Seed Fall': in other words, from death and darkness springs life and light.

#### The Celtic Year - Living Myths

Druid, (Celtic: "Knowing [or Finding] the Oak Tree"), member of the learned class among the ancient Celts. They seem to have frequented oak forests and acted as priests, teachers, and judges. The earliest known records of the Druids come from the 3rd century bce. According to Julius Caesar, who is

#### Druid | Celtic culture | Britannica

Samhain is a Gaelic festival marking the end of the harvest season and the beginning of winter or the "darker half" of the year. Traditionally, it is celebrated from 31 October to 1 November, as the Celtic day began and ended at sunset. This is about halfway between the autumn equinox and the winter solstice. It is one of the four Gaelic seasonal festivals, along with Imbolc, Bealtaine and Lughnasadh. Historically, it was widely observed throughout Ireland, Scotland and the Isle of Man. Similar

#### Samhain - Wikipedia

The Druids were viewed as a great threat because they worked as something of an international Celtic force, uniting different tribes and coordinating attacks against the Romans. The Roman policy

was to work with certain Chieftains so as to divide and rule these powerful European people, and this required the Druids to be eliminated.

Understanding The Druid Celtic Tree Calendar Calendar Wheel The Celtic calendar is a collection of systems for keeping time and was used by Celtic countries to denote the start and duration of the day, week, month, seasons, the quarter days, and the festivals.

### **Understanding The Druid Celtic Tree Calendar**

Books on Druids, Druidry, Druidic, and Druidism. The Druids were polytheistic and revered the sun, the moon, and the stars, looking to them for signs and seasons. They also venerated other natural elements: the oak, tree groves, hilltops, streams, lakes, and even plants.

### **Books On Druids - Spelwerx**

Besides the annual cycle, King describes the religious underpinnings of the festivals, the functions of the druid priests and bards, relationships to other mythologies, and the influence of historical assimilation and migration on what we know of Celtic myth.

### **The Sacred Fire - Celtic Books**

As in other major Celtic Festivals, Samhain was a gateway, a celebration of the transition from one season and another. In Celtic mythology, at the heart of every gateway is a paradox. The threshold is literally between two worlds but is, in itself, in neither and in both at the same time.

### **The Sacred Fire - Celtic Festivals**

Celtic Druidism. History, beliefs, practices, & myths. Quotation: "Druidry is not a religion. It's a philo-

sophy and you can worship a God or a Goddess, it's up to you. You can be a Christian or a Moslem or anything else and still be a Druid.
