THE COMING BOND MARKET COLLAPSE. A book that is certain to spark controversy within the financial media and throughout the halls of government, The Coming Bond Market Collapse sounds a clarion call to investors, business leaders, and policymakers. Author Michael Pentto, a noted adherent of the Austrian school of economics theories, compellingly argues that the Unit-

ed States is fast approaching the end stage of the biggest asset bubble in history.

The plunge in the peso was exaggerated by an unwinding of so-called carry trades during the meltdown of U.S. equities in late March. Barring a double-dip recession in the global economy, haven...
