"The Content Trap is a book filled with stories of businesses, from music companies to magazine publishers, that missed connections and could never escape the narrow views that had brought them past success. But it is also filled with stories of those who made strategic choices to strengthen the links between content and returns in their new master plans. . . .

"The Content Trap by Bharat Anand is a rare book that is both extremely personal, because of what Harvard University—where he teaches—is being forced to acknowledge in the rise of digital education platforms, and simultaneously academic, because of the extensive, real-life examples he has accumulated to illustrate smart theories around the dilemmas and challenges we all confront in this era of endless digital-led transformation.

The Content Trap is a seminal guide to competing in the digital world and is studded with practical insights. Anand uses absorbing case studies to highlight how strategies work in the real world. A must-read for anyone interested in digital change!"
