Merely said, the The Effortless Experience Conquering The New is universally compatible with any devices to read

SVOYMS - DANIEL SCHMITT

Price: (as of - Details) Everyone knows that the best way to create customer loyalty is with service so good, so over the top, that it surprises and delights. But what if everyone is wrong? In their acclaimed bestseller *The Challenger Sale*, Matthew Dixon and his colleagues at CEB busted many longstanding myths about sales. Now...

The Effortless Experience lays out the four pillars of a low-effort customer experience, with robust data, insights and profiles. Here are tools and templates you can start applying right away to improve service, reduce costs, and ultimately generate the elusive loyalty that the 'dazzle factor' fails to deliver.

The Effortless Experience provides solid research supporting the pursuit of reducing customer effort as a way to drive loyalty. Much of the research and advice is focused on customer service, although reducing customer effort applies more broadly than that (as at least one chapter addresses).

The Effortless Experience - ICMI

The Effortless Experience takes readers on a fascinating journey deep inside the customer experience to reveal what really makes customers loyal—and disloyal. The authors lay out the four key pillars of a low-effort customer experience, along the way delivering robust data, shocking insights and profiles of companies that are already using the principles revealed by CEB's research, with great results.
