A John Grisham Novel - "The Firm" Book Summary

John Grisham's sixth spellbinding novel of legal intrigue and corporate greed displays all of the intricate plotting, fast-paced action, humor, and suspense that have made him the most popular author of our time.

The Firm was the first Grisham novel that I tried, and I suspect that is the case for many of his fans. Over the years I've returned to it a few times, and with this Kindle edition I decided to re-visit yet again, particularly since I've since seen the movie a few times as well. I was curious to see how well the book held up after so many years.
