## EMSHCB - SELLERS AGUIRRE

---

Presents the story of Philip Benjamin, a young man haunted by images of his staid, middle-class parents and frightened by the thought of revealing his homosexual identity to them.

“A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with

an odd assortment of marginalized youth - musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer

Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The unfortunate reality is that Christians are separating and divorcing at the same rate as the unbelieving world. But does separation have to mean the end? You may not feel like reconciling. You may not see hope for a reunion. But the biblical ideal for a separated couple is reconciliation. So

how do you do it? When doors slam and angry words fly, when things just aren't working out, and even when your spouse has abandoned your trust, there is hope. Hope for the Separated will show you through God's Word that your marriage can be restored. Recognizing that restoration will not happen for everyone, Dr. Chapman also gives insightful advice for those who experience the pain of divorce.

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate

the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Learn how to create compelling game storylines. Four experienced narrative designers from different genres of game development have banded together to create this all-inclusive guide on what it's like to work as a writer and narrative designer in the videogame industry. From concept to final testing, *The Game Narrative Toolbox* walks readers through what role a narrative designer plays on a development team and what the requirements are at every stage of development. Drawing on real experiences, authors Tobias Heussner, Toiya Finley, Ann Lemay, and Jennifer Hepler provide invaluable advice for writing compelling player-centered stories and effective dialogue trees in order to help readers make the switch from prose- or screenwriting to interactive. Accompanying every chapter are exercises that allow the reader to develop their own documentation,

outlines, and game-dialogue samples for use in applying for industry jobs or developing independent projects. This first installment of Focal Press's *Game Design Workshops* series is a must-have for individuals looking to create captivating storylines for games.

Extraordinary marriages don't just happen. They flow from grace-filled, faithful, and fruitful covenants of love. Every marriage, and even preparation for marriage, has its ups and downs. In a world and culture that seems to isolate and criticize, authors Ryan and Mary-Rose Verret proclaim: you are not alone! In these pages the Verrets offer the married and soon-to-be married a program for profound and transformative discipleship. *Witness to Love* gives married couples the tools and encouragement to share the grace, struggles, joys, and blessings of their marriage with young couples in desperate need of mentors. In *Witness to Love*, the Verrets issue a challenge to us all. Share your lives, share your heart, share your love. Make disciples!

Andrews turns up the heat by presenting dynamic, magnetic, integrated, and cohesive principles for keeping love alive in relationships.

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York

Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects, including math, science, language arts, social studies, history, government, fine arts, and character.

A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just

how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

In Jennifer Lopez's first ever book, *True Love*, she explores one of her life's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she's ever been. Guided by both intimate and electrifying photographs, *True Love* an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos through-

out and lavishly designed, True Love is a stunning and timeless book that features more than 200 never-before-seen images from Lopez's personal archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.

Rikke Frank Jrgensen has given us a thoughtful and competent contribution to a debate of increasing global importance. Her theoretical analysis and practical case-study stimulate critical reflection on how we should connect the primary moral domain of our time human rights with the primary infrastructure for global communication, the Internet. This book is a must read for all who engage with the search for meaningful and practical normative directions for communications in the 21st century. Cees J. Hamelink, University of Amsterdam, The Netherlands Understanding the Internet is key to protecting human rights in the future. In Framing the Net, Rikke Frank Jrgensen shows how this can be done. Deconstructing four key metaphors the Internet as infrastructure, public sphere, medium and culture she shows

where the challenges to human rights protection online lie and how to confront them. Importantly, she develops clear policy proposals for national and international Internet policy-makers, all based on human rights. Her book is essential reading for anyone interested in the future of human rights on the Internet: and that should be everyone. Wolfgang Benedek, University of Graz, Austria Jrgensens examination of whether Internet governance can be better aligned with the rights and freedoms enshrined in human rights law and standards of compliance should be read by everyone in the academic, policy and legal practitioner communities. From womens use of ICTs in Uganda to Wikipedia in Germany, information society developments make it imperative that scholars and practitioners understand why it matters how the issues are framed. This book successfully analyses a decade or more of debate in this field in an engaging and very illuminating way. Robin Mansell, London School of Economics and Political Science, UK This important book examines how human rights are being applied in the digital era. The focus on internet freedoms and internet rights has risen considerably

in recent years, and in July 2012 the first resolution on the promotion, protection and enjoyment of human rights on the internet was adopted by the U.N. Human Rights Council. This timely book suggests four framings to examine human rights challenges in an internet era: the Internet as Infrastructure, the Internet as Public Sphere, the Internet as Medium and the Internet as Culture. These propositions, and the questions that arise from them, are considered in the broad context of the way human rights are translated and applied in the information society, both in academic research and the international communitys policy discourse. The author points to the role of private actors vis-<sup>^</sup>-vis human rights as one of the most crucial and cross-cutting themes that needs to be addressed in order to advance human rights protection on the internet. Combining research themes that are often dealt with separately, this book will appeal to civil society organizations, journalists, and policy makers in the field of internet and communication policy making. The books overview of internet-related academic discourse combined with human rights-based policy analysis will be useful for scholars,

students, and practitioners working within these fields.

The capstone and crowning achievement of the Future History series, from the New York Times bestselling Grand Master of Science Fiction... Time Enough for Love follows Lazarus Long through a vast and magnificent timescape of centuries and worlds. Heinlein's longest and most ambitious work, it is the story of a man so in love with Life that he refused to stop living it; and so in love with Time that he became his own ancestor.

Simple ideas, lasting love—all in a short read In this abridged version of the New York Times bestseller The 5 Love Languages®, relationships expert Dr. Gary Chapman offers a trimmed-down explanation of his transformational approach to love. People express and receive love in 5 different ways, called love languages: quality time, words of affirmation, gifts, acts of service, and physical touch. The sooner you discover your language and that of your loved one, the sooner you can take your relationship to new heights. And with this summary version of the award-winning book, you don't have to read long to

find out. With disarming wit, clear explanations, and inspiring storytelling, Dr. Chapman only needs a moment of your time to transform your love life.

"How to Win Friends and Influence People" is one of the first best-selling self-help books ever published. It can enable you to make friends quickly and easily, help you to win people to your way of thinking, increase your influence, your prestige, your ability to get things done, as well as enable you to win new clients, new customers. **Twelve Things This Book Will Do For You:** Get you out of a mental rut, give you new thoughts, new visions, new ambitions. Enable you to make friends quickly and easily. Increase your popularity. Help you to win people to your way of thinking. Increase your influence, your prestige, your ability to get things done. Enable you to win new clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a

more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of How to Win Friends and Influence People (1936), a massive best-seller that remains popular today. This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confu-

sion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doc-

trine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a

book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

With roughly a third of all marriages ending in divorce, there's never been a better time for this refresher course in the true meaning of a successful union. As New York Times bestselling author Dr. David Jeremiah reminds us, it's a biblical truth: Sex and passionate, romantic love are God's ideas! Nothing rivals the beauty of the writing in the Song of Solomon-- and nothing rivals the wisdom of Solomon on matters of love, romance, marriage, and sexual intimacy. Dr. Jeremiah's thoughtful interpretation of Solomon and Shulamith's relationship provides all of us-- whether married or single-- with valuable lessons for a better, happier, more fulfilling life and a long, loving marriage.

Have you ever thought that perhaps God wants to do a greater work in your heart in-

stead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Filled with thirty unique essays and devotions, my inspiration to write this book came from hearing a doctor talk about how much our culture has changed and the impact it's had on all of us. So tucked into the back of the book you'll find some great exercises just before the Spiritual Connections section. They'll help keep you from the snares of our culture and guide you to the green pastures of peace and tranquility that you need. You'll also enjoy messages that offer a fresh perspective so you can live life with more passion including: Happy Habits, An Anchor of Hope, Choose to Forgive, A New Mental Toughness, Wholeness Healing, Take a Drink of Great Happiness, Unspeakable Joy, Find the Gift, New Beginnings, The Green Bean Club, and more. So, dear friend, come and spend time with the most trustworthy friend of all — God. You'll not only learn about Him, but you'll find He's a God who loves you and longs for you to draw near to Him. —Nanci J. Gravill Draw near to

God, and He will draw near to you. James 4:8a - ESV

Move beyond the mechanics of sex to a rich and rewarding connection! God's desire is for couples to enjoy vibrant sexual relationships without inhibition, awkwardness, fear, resentment, guilt, or shame. With honesty and frankness, life coach and best-selling author Shannon Ethridge opens the minds of both husbands and wives to embrace a lifestyle of passion and pleasure. Divided into four sections, *The Passion Principles* helps couples celebrate the spiritual, mental, emotional, and physical dimensions of sexuality. Questions include: What was God thinking when He created sex? Why do humans think about sex so much? Will there be sex in heaven? How did we get such different ideas about sex and love? How can I get past his or her sexual past? How can I help my spouse heal from the sexual abuses he or she suffered? What if my heart is telling me I married the wrong person? How can we balance mismatched sex drives? Some chapters end with questions for personal contemplation or for couples to use as conversation starters, and other chapters end with prayers that foster a deeper spiritual

and emotional connection, making this book a perfect guide to a more passionate love life.

Advice for military couples "As soon as I arrived in Afghanistan, I began reading *The 5 Love Languages*®. I had never read anything so simple yet so profound." — Anonymous soldier If you are in a military relationship, you know the strain of long deployments, lonely nights, and difficult transitions. Discover your child's primary language—then speak it—and you will be well on your way to a stronger relationship with your flourishing child. For a free online study guide, visit [5lovelanguages.com](http://5lovelanguages.com).

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message

of love *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

*A Productive Spirit* introduces readers to a practical approach to personal development. Through this approach, the readers are able to accomplish three objectives.

First is recognizing themes in life that impact them the most. Second is understanding the nature and implications of those themes. Third is formulating strategies based on the knowledge of those themes. Ultimately, the readers have greater confidence in their ability to deal with unfamiliar situations and make sound decisions.

*Alodar* was a mere journeyman thaumaturge learning the least of the five arts of magic. As such he had no right to aspire to the hand of the fair lady, Queen Vendora, but aspire he did. *Alodar's* quest is not only a stirring tale of adventure, but also one of the most logical detailings of the laws of magic ever to appear in fantasy. This edition includes new chapters, a glossary and an author's afterward

*To All the Boys I've Loved Before* is now a major motion picture streaming on Netflix! Lara Jean's love life gets complicated in this New York Times bestselling "lovely, lighthearted romance" (*School Library Journal*) from the bestselling author of *The Summer I Turned Pretty* series. What if all the crushes you ever had found out how you felt about them...all at once? Six-

teen-year-old Lara Jean Song keeps her love letters in a hatbox her mother gave her. They aren't love letters that anyone else wrote for her; these are ones she's written. One for every boy she's ever loved—five in all. When she writes, she pours out her heart and soul and says all the things she would never say in real life, because her letters are for her eyes only. Until the day her secret letters are mailed, and suddenly, Lara Jean's love life goes from imaginary to out of control.

With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there

by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theory of Love demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion

and eloquence that will forever change the way you think about human intimacy.

No one likes to think about dying, but it's a reality of life that all of us have to deal with, sooner or later. It seems logical that if Christianity is true and Jesus is real, then he would have wanted us to know for sure where we are going after death. This book takes the words attributed to Jesus in the Bible and provides a logical explanation for creation, giving the reader a way to know for sure if they are bound for heaven or bound for hell. The thirteen chapters are thirteen sermons that start at the beginning of every spiritual journey ("Why am I here?") and take the reader on a logical journey that ends with a way for the reader to know what their true spiritual condition is. The purpose of the book is to explain the gospel in logical language and then offer Jesus' words as proof of the authenticity or falsehood of the reader's conversion experience by the presence or absence of four basic character traits about which Jesus taught frequently. If you read the book, by the last page you will know for sure.

Eddie is a wounded war veteran, an old

man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

"This crazy, gorgeous family novel" written at the end of the Great Depression "is one of the great literary achievements of the twentieth century" (Jonathan Franzen, *The New York Times*). First published in 1940, *The Man Who Loved Children* was rediscovered in 1965 thanks to the poet Randall Jarrell's eloquent introduction (included in this ebook edition), which compares Christina Stead to Leo Tolstoy. Today, it stands as a masterpiece of dysfunctional family life. In a country crippled by the Great Depression, Sam and Henny Pollit

have too much—too much contempt for one another, too many children, too much strain under endless obligation. Flush with ego and chilling charisma, Sam torments and manipulates his children in an esoteric world of his own imagining. Henny looks on desperately, all too aware of the madness at the root of her husband's behavior. And Louie, the damaged, precocious adolescent girl at the center of their clashes, is the "ugly duckling" whose struggle will transfix contemporary readers. Named one of the best novels of the twentieth century by *Newsweek*, Stead's semiautobiographical work reads like a Depression-era *The Glass Castle*. In the *New York Times*, Jonathan Franzen wrote of this classic, "I carry it in my head the way I carry childhood memories; the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it."

NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life*

follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's bestselling new novel, *To Paradise*, available now.

A masterpiece in the tradition of the Decameron and the Canterbury Tales, Juan Ruiz's fourteenth-century Spanish narrative poem combines the comic and the se-

rious, the bawdy and the practical, the satiric and the tender, the devout and the blasphemous. In a first prose translation, Professors Mignani and Di Cesare succeed in conveying the vitality and sly humor of the original. The poem consists of a loosely unified series of fourteen amorous adventures of the Archpriest of Hita, interlaced with debates, fabliaux, fables, and exempla. Ruiz suggests that while man ought to seek buen amor (true love, or love of God), he is prone to loco amor, or worldly love. The Book proposes to show human folly so that men may be fore-

warned of the bad and choose the good. The episodes related in the stanzas and in songs in various lyrical styles parody such conventions as courtly love, epic battle, or church ritual. Ruiz was clearly fascinated by the concrete, as well as the allegorical, for his episodes have dates and actual settings, and popular speech is incorporated into his verses. In their introduction, the translators survey the major scholarly studies of the poem and offer their own critical reading of it. Their annotated bibliography and notes to the translation will be useful to students as well as scholars.
