Humor like love is difficult to study. Nonetheless, research is indicating that humor and laughter significantly effect brain chemistry. Parents intuitively know that when children become ill, at home or at the hospital, they bring to the sickbed toys, games, and comic books and other fun items in order to improve their offspring's' mood.

The Healing Power of Humor | Ridgeview Institute

I experienced a little of the miraculous healing power of humor just last week. I'd had a rough day and by the end of it, was feeling down on myself. Even sitting in the park and watching the sunset did little to alleviate my foul mood. On the way back to my apartment, I decided to stop for a smoothie. Perhaps it would cheer me up.
