## 1NLH3E - MAYO CIERRA

---

Otto starts *The Idea of the Holy* by arguing that the non-rational in religion must be given its due importance, then goes on to introduce and develop his notion of the numinous. As a kind of first approximation for the wholly new concept he is giving us, Otto characterises the numinous as the holy (i.e. God) minus its moral and rational aspects.

Since the English translation first appeared in 1923, Rudolf Otto's volume has established itself as a classic in the field of religious philosophy. It offers an in-depth inquiry into the non-rational factor in the idea of the divine and its relation to the rational.

'In the idea of Holy Rudolf Otto (1869-1937) argued that all religious experiences were numinous in nature.

Otto cautions that the use of metaphor and symbolism will be essential to any analysis or explanation of these elements - what we are looking into here is something which is essentially a mystery for those of us who have not had the experience

Both author and translator make it clear that religion must accommodate both the numinous and the ethical, *The Idea of the Holy* (Das Heilige), which is fundamentally an inquiry into the non-rational, is a book which has established itself, since the English translation first appeared in 1923, as a classic in the field of religious philoso-

phy.

In contrast to his earlier books, which dealt primarily with the rational or cognitive analysis of religion, *The Idea of the Holy* is devoted to the "non-rational" or "supra-rational" aspects.

*The idea of the holy. an inquiry into the non-rational factor in the idea of the divine and its relation to the rational.* by Rudolf Otto. Published 1923 by H. Milford, Oxford university press in London .

Otto's most famous work is *The Idea of the Holy*, published first in German in 1917, and first translated into English in 1923. It is one of the most successful German theological books of the 20th century, has never gone out of print, and is now available in about 20 languages.

The book defines the concept of the holy as that which is numinous.

The natural term for this would be that which stands in the title of this book : the holy , or else the sacred . But the meaning of these words is at once too lofty and too narrow. Holiness , sanctity , are words which are charged with ethical import. 1 A large part, per-

haps the chief part, of their meaning is moral.

The Idea of The Holy – Interpretation and Analysis 3 agree with the proposal that Yahweh could be presented as a universal, benevolent and merciful and compassionate God. The Hebrew religious history is full of hatred and fury for the neighboring nations who practice worship of deities other than Yahweh.

### **Full text of "The idea of the holy : an inquiry into the ...**

Rudolf Otto's The Idea of the Holy has powerfully impacted the psychology of religion at least in part because it reads the human document in a profoundly insightful way, offering us an astute account of our ability to know the infinite in the midst of a finite world. It is a transcendental psychology that provides a means of expressing the human capacity to distinguish between the sacred and profane and to apprehend the self-revelation of God.

### **Meaning and Authenticity: "The Idea of the Holy"**

In The Idea of the Holy and other works, Otto set out a paradigm for the study of religion that focused on the need to realize the religious as a non-reducible, original category in its own right. The eminent Romanian-American historian of religion and philosopher Mircea Eliade used the concepts from The Idea of the Holy as the starting point for his own 1954 book, The Sacred and the Profane .
