## AKOIXN - TRUJILLO KOCH

---

America is an idea. The immigrants who flocked here in droves in the 19th and 20th centuries were not doing a cost-benefit analysis of the relative strengths of the American military or land mass compared to other European countries.

### **The American Idea - The Atlantic**

The Idea of America: How Values Shaped Our Republic and Hold the Key to Our Future [H. Michael Hartoonian, Richard Van Scotter, William E. White, Colonial Williamsburg Foundation] on Amazon.com. \*FREE\* shipping on qualifying offers. At the heart of America, this book argues, is a great debate.

Wood explored the origins of American exceptionalism, the Founders' belief in the universality of the revolution, and the radicalism of republicanism in the 18th century. Gordon Wood discussed his essays in conversation with author and historian Jay Winik at the National Archives in Washington, D.C.

William Bonner is the founder, president, and driving force behind the highly successful consumer newsletter publishing company, Agora Publishing, Inc. He began Agora, Inc. in 1979 with an office in Baltimore, Maryland.

America was, of course, founded on the opposite principle...the idea that people were free to separate themselves from a parent government whenever they felt they had come of age. But no fraud, no matter how stupendous, is so obvious as to be detected by the average American. The Idea of America™ is a digital U.S. history program that presents our nation's rich history through an original framework that views America as an enduring "Great Debate." For The Educator For The Learner

### **Welcome to The Idea of America | The Idea of America**

If one sentence captures the quintessential idea of America, surely it the famous assertion contained in the Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness."

### **The Idea of America - The Christian Post**

In The Idea That Is America, a preeminent foreign policy scholar elegantly reminds us of the essential principles on which our nation was established: liberty, democracy, equality, tolerance, faith, justice, and humility. Our ongoing struggle to live up to America's great promise matters not only to us, but also to the billions of people everywhere who look to the United States to lead, protect, and inspire the world.

## **The Idea of America - The Daily Reckoning**

The Idea of America is a compendium of essays that reflects historian Grant Wood's life's work to understand American history, particularly the ideologies that motivated American history at the country's inception. The beauty of the work is Wood's ability to trace paths that the United States followed and diverged from at its birth.

### **The Idea of America: How Values Shaped Our Republic and ...**

There is disagreement over the definition of the American Dream today. Some even think we've seen the end of the American Dream. But this inspiring idea from the Founding Fathers will continue to evolve. Both the right to pursue happiness and the right to disagree about what that means are what make the American Dream so powerful.

It was Abraham Lincoln who first conceived the idea of an American nation as a solution to the sectional warfare that eventually broke apart the Union. Lincoln began to use the term "nation" as an alternative to "union" early in his career when he saw sectional divisions escalating at the same time as the revolutionary generation had passed away—Madison, the last of the living Founders, died in 1836.
