RIOZGN - SCARLET AXEL

Welcome to The Idea of America | The Idea of America

If one sentence captures the quintessential idea of America, surely it the famous assertion contained in the Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness."

There is disagreement over the definition of the American Dream today. Some even think we've seen the end of the American Dream. But this inspiring idea from the Founding Fathers will continue to evolve. Both the right to pursue happiness and the right to disagree about what that means are what make the American Dream so powerful.
