The King of Plagues by Jonathan Maberry | Audiobook ...

THE KING OF PLAGUES is the third outing in the Joe Ledger series (after PATIENT ZERO and THE DRAGON FACTORY). It opens with the D.M.S.'s enigmatic leader, Mr. Church, abruptly terminating Joe Ledger's walkabout or bereavement leave or pity party or whatever you want to call it.

"The King of Plagues" expands the Joe Ledger universe, deepens existing characters while introducing bold new ones, and unleashes a runaway brain of a thriller plot turbocharged with a depraved spirit of invention.

The King of Plagues introduces us to a secret society of ultra-wealthy global elites, the 1% of the 1%, who control literally every single thing. They are the Seven Kings, and through their network of assassins, drug cartels, legitimate industries, terror cells, street gangs, government agencies, etc., they covertly run the world, destabilizing economies and nations for their own gain and pleasures.

The King of Plagues by Jonathan Maberry. This is the third installment in the Joe Ledger series. I listened to the audio version narrated by Ray Porter who is amazing! I have no idea how that guy can have a different voice for all the characters involved. And when he does a woman's voice it sounds like a woman instead of an exaggeration.
