Goll explains the prophetic gift as a result of an intimate relationship with God and exposes common misconceptions.

Your prayers really do make a difference-and every act of intercession matters! When God's people send "up" the incense of prayer and worship, God sends "down" supernatural power, anointing, and acts of intervention. Prayer invites the presence of God-distinguishing God's people from all other people on earth and mobilizing the gospel of Jesus. Through prayer, God enables and empowers you to: wait with Him and receive His burden, birth His purposes into being, protect His promises by warring over them, and become a watchman for the days in which we live. These lessons will show you just how vital your prayers are, give you courage to pray for the "impossible," and help you find persistence to see your prayers to completion. The Tending the Fires of Intercession Study Guide is great for individual study in your own home, with a small group, or in a classroom setting. The full curriculum, including the The Lost Art of Intercession book and Tending the Fires of Intercession 12 Message Set, is available at www.GodEncounters.com. As you work through these lessons and put them into practice, you will learn to keep the fire burning continually on the altar of prayer-so it will NEVER go out!

Prophetic intercession has caught fire as God's people learn the power of praying his promises back to him. In this extraordinary book, James Goll draws from the stories of Elijah, who travailed for rain, and Anna, the praying prophetess whose intercession prepared the way for the Messiah, to illustrate the biblical mandate for intercessory prayer. James tells his own gripping, life-changing experience of how God gave him and his wife four children after

years of barrenness, and he uses this testimony as a metaphor for what God can do for dying churches and hopeless circumstances when Christians lay claim to God's promises. Readers will gain a fresh vision after reading The Prophetic Intercessor for the importance of intercessory prayer for themselves, their churches, and the world.

The writer to the Hebrews itemizes the elements of a firm spiritual foundation. These fundamentals must be built into the foundation of every Christian so he or she will not collapse in the face of life's storms. When Christians are shaky in their beliefs, they become vulnerable in the fight against hell. Yet the enemy, as the psalmist pointed out, is constantly shooting at their foundations. What can they do? They can fortify their foundations, says James W. Goll, one of the most respected leaders in the renewal movement. In the only book/study guide combination on the topic, he lays out the biblical elements of a firm foundation from Hebrews 6, including faith in God, the baptism with the Holy Spirit, resurrection from the dead, and more. His clear, conversational approach equips both new and veteran Christians with the tools they need to establish an unshakable foundation.

God wants you to experience the great wonder of moving in and through His grace—on a daily basis. That's why this book isn't just about how to discover your spiritual gifts, or even how to receive them—it's about how to release them! Give them away! The Spirit is demonstrating God's supernatural power through His church today as realms of His glory are released on a global basis. All of God's gifts are still fully operational, and every single believer is designed to flow in the river of God, fulfilling his or her destiny. In Releasing Spiritual Gifts Today, you'll learn the way the Holy Spirit moves and how He operates through spiritual gifts. Then you'll explore the nine most widely recognized gifts. These are not the only gifts God gives His children, but they are vital to understand and then activate according to His leading for the fulfillment of the Great Commission. This book is filled with examples of how spiritual gifts have been used in action, both within the pages of the Bible and in contemporary times. God desires to pour out His gifts on His people today in even greater degrees of impact and authority. Discover what the Lord wants to do for you and through you by releasing spiritual gifts in a mighty outpouring of His love, grace, and power.

Over two hundred and fifty years ago, this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany. Their commitment to restore the Watch of the Lord, through 24 hours of unbroken prayer and intercession continued for more than 100 years. God is calling His warriors once again to mount the Watch of the Lord. When God's people send up the incense of prayer and worship, God will send down supernatural power, anointing, and acts of intervention. Author James W. Goll combined with the writings of E.M. Bounds

paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church. Now is the time to mount the walls with prayer and praise, and restore The Lost Art of Intercession.

This exploration of intercession--taking the place of another in prayer--includes compelling, inspiring stories about successful intercessors and prayer warriors, offers in-depth scriptural support for, and biblical examples of, intercession, and encourages readers to spend time with God so they can think more like Him and shape their prayers accordingly.

If you wish to know your Lord in a deeper way, you are invited to join the numerous Christians who, over three centuries, have turned to this book in order to begin that journey to the depths of Christ.

You Can Be an Intercessor To intercede is to truly pray with power. How do you know God is not calling you to be an intercessor? As you read this book with its study of the great intercessors in the Bible - from Abraham and Moses to Daniel and Nehemiah to Paul and Epaphras to Jesus himself - you will never be the same again. You will catch a new glimpse of the importance of intercession. You will see the great need for intercessors and understand if God is calling you to be one. Above all, with all the Biblical models presented, you will be challenged to join this godly company. "The challenge is disturbing as the reader realizes how short of the mark is even the most spiritual of Christians," writes Dr. Lester Sumrall in his Foreword. "Dr. Fomum practices what he teaches, as do some churches in Cameroon. Who of us prays for several hours each day? Who among us fasts and prays in spiritual warfare for From 21 to 40 days at a time, several times per year? This book is MUST reading for the serious Christian."

God is out to restore the lost art of intercession and He's calling His warriors to once again mount the 'Watch of the Lord.' When God's people send 'up' the incense of prayer and worship, God will send 'down' supernatural power, anointing and acts of intervention. Jim Goll paints a picture of prophetic clarity and urgency in this anointed work, one which sounds God's clarion call to His Church: This is the reason for us to mount the walls with prayer and praise - and restore the lost art of intercession.

Your spiritual glass is half empty if your Christian life consists only of good theology, good works, and just attending church without a truly supernatural lifestyle. Many believers, even those who are Spirit-filled, cannot claim to possess a fully supernatural life. Happy with an occasional taste of Heaven, they assume that such a goal is out of reach. In this well written and easy to understand manual, author Ryan Wyatt explains the interplay of the physical and spiritual worlds in a fresh way that shows you—beyond doubt—that a supernatural lifestyle is available to you as well.

Satisfy the hunger in your heart! An exciting and insightful journey into the visionary world of *The Seer*. The prophetic move-

ments in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal the seer, whose revelation is more visionary While the role of the prophet is familiar, less is known about The Seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens. Questions answered include: How does visionary revelation happen? Can it be trusted? Where does it fit into your life and today's church? Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually-gifted? The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus—to you, today.

The words of the intercessor are a power force for healing the wounds of the past and shaping the course of history. This book will help the intercessor release those words into the heavens and bring down God's will on earth. Goll shifts the focus of intercession away from the typical "shot gun" approach of praying for the whole world in a single prayer. At the same time he impressively portrays how you can focus your prayer on what God desires as opposed to what you need.

The Scriptures give us a full-color picture of a God who is moved by emotions such as yearning, love, and compassion. Our human emotions reflect the emotional qualities of our Creator, who made us in His own image. Feelings have a vital place in any believer's life, not just in those who have a more sensitive nature due to their personalities. The Feeler by James W. Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God's voice. We experience the love, joy, and presence of God with our feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our "senses trained to discern good and evil" (Hebrews 5:14 NASB). What are we training? Both our natural senses and our spiritual senses. Our physical senses, with the addition of "knowing," correspond to our spiritual senses in these ways: Eyes (sight): visions and dreams Ears (hearing): voices and sounds Heart (touch): emotions and feelings Tongue (taste): good and evil Nose (smell): good and bad Mind (knowing): divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God's Spirit speaks to believers, as well as how to discern good and evil spirits. With consecrated gifts and senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel.

It is here at last, the deliverance manual for addressing dream battles and nightmares. By the time a person is 60 years old, he would have spent 20 years sleeping and dreaming. Your dreams are your spiritual monitoring system. Many do not know what is happening to their lives because, they do not understand their dreams. The land of slumber is as important as life itself. Dreams from God are to: assure, encourage, comfort, direct, instruct, guide, exhort, correct, warn or reveal the plan and purposes of God. Satanic dreams are noted for their absurdity, emptiness, harassment and punishment by dream criminals. This book teaches you how to understand your dreams and how to deal with your dream battles. This book is a must for every serious Christian home. Read it and pray the prayer points therein and your life will no longer remain the same.

The presence of God is meant to be more than just an occasional event during Sunday morning Worship--you are meant to live in God's presence! In *The Lost Art of Practicing His Presence*, James W. Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. Through this book you will rediscover the lost precepts of Biblical meditation, contemplative prayer, and waiting on the Lord and learn how to apply them in your own life. Most importantly, you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you! *The Lost Art of Practicing His Presence* also includes a modern-language translation of *The Practice of the Presence of God* by Brother Lawrence. An inspiration to James Goll, this 15th-century believer has inspired generations of Christians with his simple life and profound writings on the nature and presence of the Lord.

Teaches readers to be prophetic intercessory prayer warriors-to pray God's promises back to him to effect change and gain new fruitfulness in personal and even international concerns.

This book teaches the art of intercession with the Lord.

Finally there is something that really explains what is happening to so many folk in the Body of Christ. What does it mean to carry the burden of the Lord? Where is it in Scripture and in history? Why do I feel as though God is groaning within me? No, you are not crazy; God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion.

"I want to do more than hear a word from God. I want to become that word. That is revelation's ultimate purpose—for the Word to become flesh." —James Goll
What is "prophetic revelation" from God? And what is the believer's role in receiving and activating it? James Goll, author of the best seller *The Seer*, explains that although some believers are especially gifted as prophets, every follower of Jesus receives the gifts of revelation and discernment. And every believer needs to use them! In fact, without discernment and sensitivity to the Holy Spirit, we cannot progress in our use of any of the gifts and callings. With clear explanations, scriptural illustrations, and real-life contemporary stories, Goll demonstrates how we can receive revelation through the natural senses of sight, hearing, touch, smell, and taste—and how to open ourselves up to the comparable supernatural senses through which God wants to speak. He also removes uncertainty about how to discern revelation and test the spirits, so that every believer can fulfill their ultimate purpose: extending Jesus' powerful kingdom on earth. *The Discerner* is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation.

Prayers that strike the mark are specific prayers authorized by the Holy Spirit and endowed with divine power to accomplish the will of God in your life and for the needs of the world. On the cross, Jesus fulfilled the ultimate answer to all of our prayers, but He awaits our invitation to come into our situations and circumstances. When people of prayer intercede, they create a meeting place between the heavenly Father and His children. God comes upon the person who is praying and moves them from the natural to the supernatural. Empowered by God, the intercessor has the authority to cut down enemy forces and pick out "targets" for God's lightning bolts of glory, bringing victory and breakthrough. Intercession could be called "extreme prayer" because it links extreme needs with the extraordinary power of God. Inserting ourselves into the gap between God and a need, we call upon the Holy Spirit, our Helper, who is ready to move us from finite ability to infinite ability, take hold of difficult situations, and help accomplish the will of God. We have the great honor of being called to "paint targets" on cities, churches, ministries, family members, contemporary "Sauls" (those who persecute or cause difficulty), and even ourselves. Our believing, persistent prayers will Strike the Mark! "He covers His hands with the lightning, and commands it to strike the mark" (Job 36:32 NASB).

This roving cultural history of urban loneliness centers on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technol-

ogy draw us closer together or trap us behind screens? Laing travels deep into the work and lives of some of the century's most original artists in a celebration of the state of loneliness.
