Buy The Military Guide to Financial Independence & Retirement by Doug Nordman. This is by far the best book I've read about how to use your military service to position yourself for a financially independent retirement. This book is valuable, even if you don't stay in for the full 20 years required to receive full military retirement benefits.

Financial planning for a transition out of the military may seem daunting. Because the military provides consistency and regular benefits, it may be challenging to transition to civilian life. With a timeline view of your transition out of the military and helpful tips, this guide offers your checklist for leaving the military.
