### RSJSCU - NEAL CURTIS

A wonderfully humorous and heart-warming story about a boy searching for his perfect pet. About the Author Fiona Robertson was born in Oxford and studied art and design in London and New York.

Fish are a great pet if you're worried you might not have lots of time, space or money to own a larger pet, but remember, owning a fish is still a big commitment -the average fish will live for around 10 years... but can live up to 40 years!

### *The Perfect Pet Nanny - Caring about pets and people*

The Perfect Pet is about a little girl who is desperately wanting a pet and trying to convince her parents. When all else fails she decides to have a bug as a pet and not tell anyone. Over time the bug gets so big that her parents find out but they decide that maybe it wouldn't be so bad to have him as a pet.

### *The Perfect Pet by Margie Palatini - Goodreads*

The most popular pet types are dogs and cats. In any case, choosing a pet should never be taken lightly. When considering a pet type, safety should be a major factor in that decision making process. A dog or a cat would be a perfect pet for my family. Either could easily fit my family's life-style. Dogs have always been considered man's best friend.

This is a story about a girl who wants a pet. She goes through all of the options with her parents to no avail until one day she adopts a little bug. It is a sweet story - and one we can all relate to with our kids wanting something that we will not let them have. In the end the family is happy with the bug as a pet.
