Rather, it was preceded by at least two centuries of strife and upheaval in Western Europe. 5 historical causes of the Reformation, as presented by English historian Hilaire Belloc, are listed below: 1) The Abandonment of Rome by the Popes. In the Late Middle Ages, the papacy had come to play an increasing role in secular rule in Europe.

The Pre-Reformation Latin Church . In the early 16th century, western and central Europe followed the Latin Church, headed by the pope.While religion permeated the lives of everyone in Europe—even if the poor focused on religion as a way to improve day to day issues and the rich on improving the afterlife—there was widespread dissatisfaction with many aspects of the church: at its bloated ...

#### Cause and Effects of Protestant Reformation - PHDessay.com

The Protestant Reformation or simply ‘the Reformation’, as it is commonly referred to, was the religious revolution within Europe in the sixteenth century that led to a split in the Catholic Church.. Christianity became no longer a religion only tied to the Pope in Rome.

The Protestant Reformation. The Protestant Reformation was a major 16th century European movement aimed initially at reforming the beliefs and practices of The Roman Catholic Church.Its religious aspects were supplemented by ambitious political rulers who wanted to extend their power and control at the expense of the Church.

The English Reformation took place in 16th-century England when the Church of England broke away from the authority of the Pope and the Roman Catholic Church.These events were, in part, associated with the wider European Protestant Reformation, a religious and political movement that affected the practice of Christianity in western and central Europe.

The Protestant Reformation was a 16th century movement that altered the course of European and

world history in a number of different ways. This movement led to the eventual influence and demise of the previously powerful Catholic Church.

A variety of causes contributed to the reformation which can be conveniently studied under the following heads: 1. Religious Causes: In the first place, on the eve of reformation the church suffered from numerous evil practices which greatly undermined the reputation of the church and the churchmen.

The Reformation (alternatively named the Protestant Reformation or the European Reformation) was a major movement within Western Christianity in 16th-century Europe that posed a religious and political challenge to the Catholic Church and in particular to papal authority, arising from what were perceived to be errors, abuses, and discrepancies by the Catholic Church.
