Under President Vladimir V. Putin, memories of Stalin-era persecution have not been erased, as evidenced by a large government-funded Gulag History Museum that opened in Moscow in 2018. But they...

The Russian Moment in World History on Apple Books

The current activist Russian posture in many far-flung corners of the world goes beyond the two previously articulated key elements of its foreign policy: its claim to a sphere of privileged interests around its immediate periphery, which was staked out in the wake of the 2008 war with Georgia, and its refusal to accept the post-Cold War security order in Europe, decisively affirmed with the 2014 annexation of Crimea.

'Normally' there should not have been such a thing as the terrorist attack of 9/11, because there was no state that could attack the United States, no civilization, no political system... Russia at that moment was in a very low situation with Yeltsin, and was on the verge of collapse after the Soviet Union.
