The Scandi Sense diet is a trendy diet plan that promises — like so many others before it — that it's the gateway to weight loss. Toting simple lifestyle changes, the diet — based on the premise of "common sense" eating — uses portion sizing in your hands to lose weight. That's right: You can put the measuring cups away now.

**Is the Scandi Sense Diet Good for Weight Loss ...**

The Scandi Sense diet is essentially this: Eat three meals a day (no snacks, at least for the first two weeks), and at least two of those three meals should have one (but preferably two) servings of vegetables, one serving of protein, and one serving of starch or fruit. Servings are measured simply by handfuls — no weighing or calorie counting.
