Draw the short straw - Idioms by The Free Dictionary

A straw can mean either a rough, dry plant stalk or a long plastic tube that you might drink from. But what does it mean when someone says that they drew the short straw? Have a listen to this clip and see if you can work it out. The general says that his company drew the short straw and had to stay behind while the other soldiers escaped:

Directed by Stuart Heisler. With John Russell, Peter Brown, Jack Lambert, Ted de Corsia. Some of the businessman feel the marshal's rules, like curfew, are hampering their business. They decide to do something about it themselves but not with a low card. The one who draws the short straw wins.

Each member of the group draws a straw from the fist of the group leader. At the end of the offering, the group member who has drawn the shortest straw is the one who must perform the task. This practice is epitomized in the cliché "drawing the short straw"—to mean being randomly, unluckily, or unfairly selected to perform a task, at the risk of suffering a penalty.

even short straw At the same time, the local election results failed to deliver the predicted wave of anti-government support for new, old or recycled Labour, while the SNP swept across Scotland suggesting, perhaps, that the days of slavishly following traditional tribal behaviour are fading.

Draw the short straw definition: to be chosen from a number of people to perform a task or duty that nobody else wants to... | Meaning, pronunciation, translations and examples

SHORT STRAW was on the USA Today's Top 150 Best-Selling books list for eight weeks reaching the peak position of 43. Stuart Woods has 26 novels on this best-seller list. Ed Eagle, a successful lawyer, wakes up uncharacteristically late with a hangover on the very day he is hosting an inauguration party for his new offices.
