Charles Feltman's The Thin Book of® Trust is an excellent guide to understanding the distinctions of trust; sincerity, reliability, competence and care. This is an excellent resource for anyone interested in building trust-based relationships with their clients, colleagues and employees." --Elaine Howard, Chief Talent Officer, Millward Brown

The Thin Book of® Trust is a small book about a very important subject. A lot has been written about trust: about what it is and what it can do for people, families, companies, communities and countries. Often, good work is being sabotaged by interpersonal conflict, political infighting, paralysis, stagnation, apathy, or cynicism.
