The Truth About Your Future: The Money Guide You Need Now ...

The Truth About Your Future is a book about exponential technologies and how they will radically alter life as we know it. Edelman is a graduate and guest lecturer at Singularity University, located in Silicon Valley.

If you're going to prosper in a future where you could easily change careers, never retire and live healthily into your 100s, your finances need a reboot. Most people think "linearly," that is, they see progress as a steady continuum and deny the implications of fast change. Instead, you need to think "exponentially."
