Directed by Tobe Hooper. With Karen Black, Hunter Carson, Timothy Bottoms, Laraine Newman. A boy tries to stop aliens who have taken over his town and are attempting to brainwash its inhabitants.

So if these "gods" that came from the heavens, actually did colonize Mars in the past, is there a possibility that we today may find evidence of structures on the Red Planet? Such as pyramids, columns, statues, etc. If the Anunnaki were on Mars it is inevitable that we today will find evidence of their civilization on the Red Planet.
