Some curses can't be outrun. The secret to Redd's past is locked away in a 400-year-old box that mysteriously appears every year on her birthday. For her entire life, her mother has kept them running from whatever lurks inside it. But Redd's had enough of not knowing who she is. So when the box shows up where only she can find it, she opens it...and awakens a link to the evil her mother fought to keep dormant. John lives in an old-fashioned village, a place of exquisite beauty and abundance. But such splendor demands that the villagers commit unspeakable acts. When the link with Redd is unlocked, the village council believes they have a solution to simplify their darkest task. John is sent to find the one girl who could possibly save them...if she makes the ultimate sacrifice. Eleanor sets off from England to America in 1587, pregnant and desperate to leave her ties with the devil behind. But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island, what should be the beginning of a better life turns into a horrendous struggle to survive. Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come... Redd, John, and Eleanor's stories meld together in a mashup of dark, urban, and historical fantasy, delving into the nuances of good and evil, the price of loyalty, and the extremes we will go to for those we love.

Action-packed from the start, with twists, intrigue, and dangerous politics, Kingdoms of Shadow and Ash is a sexy new fantasy series perfect for fans of Jennifer L. Armentrout, Sarah J. Maas, and Danielle L. Jensen. Legend states that when a ruler worthy of the name reunites the Five Kingdoms, the dragons will return. Fyia has done just that, and she wants her dragons. But the dragon eggs are missing, her five war-ravaged kingdoms are unhappy bedfellows, and calls for her to marry grow ever louder. Fyia hasn't fought so hard to hand her spoils to another, and her quest to find the missing eggs leads her to the powerful, reclusive King of the Black Hoods. A formidable man whose magical abilities match her own, as does his stubbornness. When he refuses to help, she must find a way to make him, even if that means risking the frozen wilds with the infuriating King ... even if it means risking the one thing she swore she never would: her heart. ---- Game of Thrones meets From Blood and Ash in this epic duology recommended for an adult audience.

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Her battle abilities prove useless, but Myra discovers she has another skill that can give her an edge over her captors. Now, Myra must defeat the vampire leader at a power game he has been playing for almost two millennia.

Legacy of Ash is an unmissable fantasy debut--an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelanis Viktor's sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

What if Wonderland was in peril and Alice was very, very late? Alice is different than other eighteen-year-old ladies in Kexford, which is perfectly fine with her. She'd rather spend golden afternoons with her trusty camera or in her aunt Vivian's lively salon, ignoring her sister's wishes that she stop all that "nonsense" and become a "respectable" member of society. Alice is happy to meander to Miss. Yao's teashop or to visit the children playing in the Square. She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he was sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects-the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all-a badly-injured dark-haired girl asking for Alice's help.Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she be able to do so . . . before the End of Time?

Raised to rule, despite not having the abilities her ancestors did, Aurora becomes betrothed to a prince who possesses the magic needed to keep the kingdom safe.
