Transmedia Television: Audiences, New Media, and Daily ...  
 Transmedia television: audiences, new media, and daily life. The early years of the twenty-first century have seen dramatic changes within the television industry. The development of the internet and mobile phone as platforms for content directly linked to television programming has offered a challenge to the television set's status as the sole domestic access point to audio-visual dramatic content.

Introduction | Transmedia Television | Taylor & Francis Group  
 About Transmedia Television. Faced with what many were calling a dying medium, US network television producers became much more aggressive in seeking out alternative business and artistic models in the beginning of this century. Most significantly, many

of these producers turned to the emerging field of transmedia (ancillary texts in comicbooks, novels and new media) as a way to bolster and support television products.

 Most significantly, many of these producers turned to the emerging field of transmedia (ancillary texts in comicbooks, novels and new media) as a way to bolster and support television products. In this book, the author examines four such programs (24, Alias, Heroes and Lost) and investigates how transmedia was incorporated into both the work and the art of network television production.

---

Transmedia Television: New Trends in Network Serial ...  
 Transmedia storytelling (also known as transmedia narrative or multiplatform storytelling) is the technique of telling a single

story or story experience across multiple platforms and formats using current digital technologies.. The study of transmedia storytelling—a concept introduced by Henry Jenkins, author of the seminal book *Convergence Culture*—is an emerging subject.
