Trickster - Wikipedia

In Trickster Makes This World , Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories--Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others--and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass.

All cultures have tales of the trickster, a crafty creature who uses cunning to get food, steal precious possessions, or simply cause mischief. In some Greek myths Hermes plays the trickster. He is the patron of thieves and the inventor of lying, a gift he passed on to Autolycus, who in turn passed it on to Odysseus.
